The Lovers (Echoes from the Past Book 1) Mar 07 2021
1665. When Elise de Lesseps is sold in marriage to Lord Edward Asher, she resolves to be an obedient and dutiful wife, until, on their wedding night, she finds out exactly what her husband has in store for her. His request leaves her feeling shocked and humiliated, but being his chattel, she has no right to refuse. The consequences of that night seal Elise's fate, and set her on a path that will lead to heartbreak and tragedy. 2013. Renowned archeologist, Dr. Quinn Allenby has a gift; she can see into the past when holding an object that belonged to the dead. When asked to host a BBC series called "Echoes from the Past," Quinn uses her gift to find out what really happened to the 17th century couple known only as "The Lovers," and unwittingly stumbles onto the secret of her own birth.

Drawing the Past, Volume 1 Jun 22 2022 Contributions by Lawrence Abrams, Dorian L. Alexander, Max Bledstein, Peter Cullen Bryan, Stephen Connor, Matthew J. Costello, Martin Flanagan, Michael Fuchs, Michael Goodrum, Bridget Keown, Kaleb Knoblach, Christina M. Knopf, Martin Lund, Jordan Newton, Stefan Rabitsch, Maryanne Rhett, and Philip Smith History has always been a matter of arranging evidence into a narrative, but the public debate over the meanings we attach to a given history can seem particularly acute in our current age. Like all artistic mediums, comics possess the power to mold history into shapes that serve its prospective audience and creator both. It makes sense, then, that history, no stranger to the creation of hagiographies,

particularly in the service of nationalism and other political ideologies, is so easily summoned to the panelled page. Comics, like statues, museums, and other vehicles for historical narrative, make both monsters and heroes of men while fueling combative beliefs in personal versions of United States history. *Drawing the Past, Volume 1: Comics and the Historical Imagination in the United States*, the first book in a two-volume series, provides a map of current approaches to comics and their engagement with historical representation. The first section of the book on history and form explores the existence, shape, and influence of comics as a medium. The second section concerns the question of trauma, understood both as individual traumas that can shape the relationship between the narrator and object, and historical traumas that invite a reassessment of existing social, economic, and cultural assumptions. The final section on mythic histories delves into ways in which comics add to the mythology of the US. Together, both volumes bring together a range of different approaches to diverse material and feature remarkable scholars from all over the world.

VOICES FROM THE PAST Mar 27 2020 Richard Rushing has compiled a further 365 daily devotional readings to take you through the year with the Puritans. Building on *Voices from the Past* (volume 1), *Voices*

From the Past 2 is an additional treasury of wisdom from such authors as Stephen Charnock, Thomas Manton, David Clarkson, Thomas Brooks, John Bunyan, and Jonathan Edwards, and others. The editor has painstakingly selected these readings from their sources, some of which are still widely available in print, others of which are more scarce. Readers will find these choice extracts to be excellent 'thoughts for the day', and will frequently find themselves wanting to explore more of the writings of these authors of the past.

Modern Classics: In Search of Lost Time Volume 1 - Way By Swanns Aug 24 2022 Since the original prewar translation there has been no completely new rendering of the French original into English. This translation brings to the fore a more sharply engaged, comic and lucid Proust. IN SEARCH OF LOST TIME is one of the greatest, most entertaining reading experiences in any language. As the great story unfolds from its magical opening scenes to its devastating end, it is the Penguin Proust that makes Proust accessible to a new generation. Each volume is translated by a different, superb translator working under the general editorship of Professor Christopher Prendergast, University of Cambridge.

Old Hong Kong Photos and The Tales They Tell, Volume 1 Aug 12 2021 Not your typical photo book! David Bellis, founder of the popular local history website Gwulo, shows you a selection of his favourite photos of old Hong Kong. So far, so familiar. But then he takes you

on a deep dive to discover and understand the photos' most minute and revealing details. Plague-ridden rats (pg. 7), flapper hats (pg. 56), and chocolates (pg. 73) are just a few of the surprising clues you'll investigate. Finally, David helps you piece the clues together to uncover the photos' hidden stories.

In Search of Lost Time, Vol 2 Apr 08 2021 THE ACCLAIMED FULLY REVISED EDITION OF THE SCOTT MONCRIEFF AND KILMARTIN

TRANSLATION Within a Budding Grove describes the first shoots of an astonishing love affair. When Proust's adolescent narrator travels from Paris to the sunny seaside town of Balbec he meets an intriguing set of new acquaintances who provide him with both friendship and entertainment. Most significantly of all he meets a dark-haired girl with sparkling eyes and a tiny beauty spot on her chin: the mysterious Albertine, who will become the great love of his life.

Finders Creepers (Half Past Peculiar, Book 1) Oct 02 2020 Meet the Fetch Twins and their menagerie of pets as they unlock a mysterious portal to limitless worlds in this one of a kind series from the New York Times bestselling graphic novel team of Dustin Nguyen and Derek Fridolfs. Twins Atticus and Esmeralda Fetch are the best pet

finders in Thorns Hollow -- a town where people have a lot of pets, and those pets often get lost. But when a lost dog leads them to an old, Victorian house on the edge of town, the twins find their world turned upside down. This creepy house contains a portal that leads to a whole other world -- a world where mythical creatures like trolls, fairies, and dragons are real. The secrets this mythical world contains are bigger than these kids could ever imagine. Secrets that could threaten to destroy the world as we know it. Now, Minerva, Atticus, and yes, their canine companion will have to work together if they want to save our world, and the world beyond the portal! Using a mix of prose, artifacts, and comics, the Eisner Award-nominated and New York Times bestselling team of Derek Fridolfs and Dustin Nguyen creates a fantasy-based middle-grade series that's simultaneously eerie, very funny, and wondrously imaginative. With a mix of typeset pages, painted artifacts, and beautiful comics, pages this one of a kind novel is sure to spark the imaginations of readers everywhere.

Where Good Girls Go to Die Aug 20 2019 It was a bad idea from the beginning. He was my brother's best friend and the definition of unavailable. But I didn't care. I had loved him for as long as I could remember. He was worth the risk. He was worth everything. But then he broke my heart as easily as I fell for him. He watched me fall, spiraling out of control, and as I reached for him, he wasn't there to catch me. So I ran. Four years later, I never expected to see him again. He was still my brother's best friend, and he was more unavailable than ever. He looked every bit the bad boy I knew he was, covered in tattoos and a crooked smile. Guarding my heart from him was top priority because Parker James was where good girls go to die. Unfortunately for him, I wasn't a good girl anymore.

Legendborn Jan 05 2021 An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with

mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her

magic to take the society down—or join the fight.
Swann's Way Mar 19 2022 The narrator interrupts reminiscences about his childhood spent in late-nineteenth-century France to recall the affair which a friend of the family carried on with young Odette de Crecy.

The Last Witch Jun 29 2020 How much can one person go through until they break? The chains around Lilly's wrists are gone. The doors once locking her in, unbolted. But Lilly Hooper is as far from free as could be. Her magic has been stolen, and her power and freedom are held ransom by her coven leader. Grayson's obsession with furthering the Arcane bloodline, and his unrelenting

desire to complete a dangerous spell, returning magic to the world, has consumed him. He is ready to destroy anyone who gets in his way. His brother, his coven, even Lilly Hooper herself. No one is safe. In the shadows, Lilly's enemies are closing in. Toby is far from finished with his obsession to regain his control over her mind, body, soul and magic. Hunters are gathering. And Lilly's past returns to haunt her far more than any nightmare ever could. When the missing six weeks of her memory reveal a heartbreaking truth, everything changes. And not even Gabriel may be able to stop her from seeking the revenge she so desperately craves.

Sodom and Gomorrah Nov 22 2019 The fourth volume of one of the greatest novels of the twentieth century John Sturrock's acclaimed new translation of Sodom and Gomorrah will introduce a new generation of American readers to the literary riches of Proust. The fourth volume in this superb edition of *In Search of Lost Time*—the first completely new translation of Proust's masterpiece since the 1920s—brings us a more comic and lucid prose than English readers have previously been able to enjoy. Sodom and Gomorrah takes up the theme of homosexual love, male and female, and dwells on how destructive sexual jealousy can be for those who suffer it. Proust's novel is also an unforgiving analysis of both the decadent high society of Paris and the rise of a philistine bourgeoisie that is on the way to supplanting it. Characters who had lesser roles in earlier volumes now

reappear in a different light and take center stage, notably Albertine, with whom the narrator believes he is in love, and the insanely haughty Baron de Charlus.

Wonders of the Past May 29 2020

Swann's Way, In Search of Lost Time (Deluxe Library Binding) Jul 23 2022 The Narrator is a sensitive young man who wishes to become a writer, whose identity is kept vague. As a child, his anxiety at leaving his mother at night and his attempts to force her to come and kiss him

goodnight, culminates in a spectacular success, when his father suggests that his mother stay the night with him. The Narrator's anxiety leads to manipulation, much like the manipulation employed by his invalid aunt Leonie and all the lovers in the entire book, who use the same methods of petty tyranny to manipulate and possess their loved ones. *Swann's Way* is considered to be Marcel Proust's most prominent work, known both for its length and its theme of involuntary memory, the most famous example being the "episode of the madeleine" which occurs early in the first volume. While there is an array of symbolism in the work, it is rarely defined through explicit "keys" leading to moral, romantic or philosophical ideas. The significance of what is happening is often placed within the memory or in the inner contemplation of what is described. This focus on the relationship between experience, memory and writing and the radical de-emphasizing of the outward plot, have become staples of the modern novel but were almost unheard of in 1913.

The Future Without a Past Apr 20 2022 "Argues that technological imperatives like rationalization, universalism, monism, and autonomy have transformed the humanities and altered the relation between humans and nature. Examines technology and its impact on education, historical memory, and technological and literary values in criticism and theory, concluding with an analysis of the fiction of Don DeLillo"--Provided by

The Practical Past Apr 27 2020 Hayden White borrows the title for *The Practical Past* from philosopher Michael Oakeshott, who used the term to describe the accessible material and literary-artistic artifacts that individuals and institutions draw on for guidance in quotidian affairs. *The Practical Past*, then, forms both a summa of White's work to be drawn upon and a new direction in his thinking about the writing of history. White's monumental *Metahistory: The Historical Imagination in Nineteenth-Century Europe* (1973) challenged many of the commonplaces of professional historical writing and wider assumptions about the ontology of history itself. It formed the basis of his argument that we can never recover "what actually happened" in the past and cannot really access even material culture in context. Forty years on, White sees "professional history" as falling prey to narrow specialization, and he calls upon historians to take seriously the practical past of explicitly "artistic" works, such as novels and dramas, and literary theorists likewise to engage historians.

In Search of Lost Time, Vol 3 Dec 04 2020 THE ACCLAIMED FULLY REVISED EDITION OF THE SCOTT MONCRIEFF AND KILMARTIN TRANSLATION In *The Guermantes Way* Proust's narrator recalls his initiation into the dazzling world of Parisian high society. Looking back over his time in the glamorous salons of the aristocracy, he satirises this

shallow world and his own youthful infatuation with it. His observations, and his experiences with his lover Albertine, also educate him in the volatile nature of desire as he walks the path towards adulthood.

Remembrance of Things Past: Oct 26 2022 Proust's masterpiece is one of the seminal works of the twentieth century, recording its narrator's experiences as he grows up, falls in love and lives through the First World War. A profound reflection on art, time, memory, self and loss, it is often viewed as the definitive modern novel. C. K.

Scott Moncrieff's famous translation from the 1920s is today regarded as a classic in its own right and is now available in three volumes in Penguin Classics. 'Scott Moncrieff's [volumes] belong to that special category of translations which are themselves literary masterpieces ... his book is one of those translations, such as the Authorized Version of the Bible itself, which can never be displaced' - A. N. Wilson 'For the reader wishing to tackle Proust your guide must be C K Scott Moncrieff ... There are some who believe his headily perfumed translation of *À la recherche du temps perdu* conjures Belle Époque

France more vividly even than the original' - Telegraph 'I was more interested and fascinated by your rendering than by Proust's creation' - Joseph Conrad to Scott Moncrieff

Garland of the Buddha's Past Lives (Volume 1) Dec 16 2021 In this second volume of the Garland of Past Lives,

Aryashura applies his elegant literary skill toward composing fourteen further stories that depict the Buddha's quest for enlightenment in his former lives. Here the perfection of forbearance becomes the dominant theme, as the future Buddha suffers mutilations from the wicked and sacrifices himself for those he seeks to save. Friendship, too, takes on central significance, with greed leading to treachery and enemies transformed into friends through the transformative effect of the future Buddha's miraculous virtue. The setting for many such moral feats is the forest. Portrayed as home for the future Buddha in his lives as an animal or ascetic, the peaceful harmony of this idyllic realm is often violently interrupted by intrusions from human society. Only the future Buddha can resolve the ensuing conflict, influencing even kings, in the stories but also throughout Asian history, to express wonder and devotion at the startling demonstrations of virtue they encounter.
