Lotus Elite, Eclat and Excel Dec 25 2019 Lotus introduced the Type 75 Elite in 1974. Being a

full four-seater coupe with an opening glass tailgate, it was designed to carry a family in comfort while retaining Lotus' trademark, excellent road holding and handling. Perhaps most importantly, it was the first - and successful - step in Colin Chapman's plan to move upmarket and away from Lotus' kit car image. The Elite gave rise to two derivatives, the Eclat and the Excel. The Eclat was a restyled coupe version, sacrificing the Elite's unique rear styling and good rear passenger headroom for a more stylish exterior. With its conventional coupe styling, the Eclat was more mainstream than the Elite, and it was in the end the better seller. In turn, the Eclat spawned the Excel, the last of the Elite-inspired family. Matthew Vale looks at the history of these unusual Lotus models, and gives a thorough guide to buying and owning the cars today. Of interest to all motoring enthusiasts and Lotus owners in particular, it includes information on buying and owning the cars today, specifications, owner's experiences and technical information. Superbly illustrated with 130 colour photographs, both period and contemporary.

2021 London Restaurants - The Food Enthusiast's Long Weekend Guide Sep 02 2020 There are many people who are enthusiastic about food—the cooking of it, the preparation of it, the serving of it, and let's not forget the eating of it. But Andrew Delaplaine is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. "Exciting" does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of "sensible alternatives" for those looking for good food handsomely prepared by cooks and chefs who really care what they "plate up" in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Andrew Delaplaine not to disappoint. Delaplaine dines anonymously at the Publisher's expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Appétit! 2021 Barcelona Restaurants - The Food Enthusiast's Long Weekend Guide Oct 03

2020 There are many people who are enthusiastic about food—the cooking of it, the preparation of it, the serving of it, and let's not forget the eating of it. But Andrew Delaplaine is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. "Exciting" does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of "sensible alternatives" for those looking for good food handsomely prepared by cooks and chefs who really care what they "plate up" in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Andrew Delaplaine not to disappoint. Delaplaine dines anonymously at the Publisher's expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Appétit!
