Performed by Lady Gaga and penned by songwriting legend Diane Warren, the tune hangs on an emotive arrangement appropriate to the song's heavy subject matter. This Original Sheet Music Edition captures the depth of that recording in piano/vocal/guitar format, complete with single art and lyrics.*

*University of Nike Feb 01 2020 The dramatic expose of how the University of Oregon sold its soul to Nike, and what that means for the future of our public institutions and our society. \*\*A New York Post Best Book of the Year\*\* In the mid-1990s, facing severe cuts to its public funding, the University of Oregon—like so many colleges across the country—was desperate for cash. Luckily, the Oregon Ducks' 1995 Rose Bowl berth caught the attention of the school's wealthiest alumnus: Nike founder Phil Knight, who was seeking new marketing angles at the collegiate level. And so the University of Nike was born: Knight has so far donated more than half a billion dollars to the school in exchange for high-visibility branding opportunities. But as journalist Joshua Hunt shows in *University of Nike*, Oregon has paid dearly for the veneer of financial prosperity and athletic success that has come with this brand partnering. Hunt uncovers efforts to conceal university records, buried sexual assault allegations against university athletes, and cases of corporate overreach into academics and campus life—all revealing a university being run like a business, with America's favorite "Shoe Dog" calling the shots. Nike money has shaped everything from Pac-10 television deals to the way the game is played, from the landscape of the campus to the type of student the university hopes to attract.*

More alarming still, Hunt finds other schools taking a page from Oregon's playbook. Never before have our public institutions for research and higher learning been so thoroughly and openly under the sway of private interests, and never before has the blueprint for funding American higher education been more fraught with ethical, legal, and academic dilemmas. Encompassing more than just sports and the academy, *University of Nike* is a riveting story of our times.

*A Class of Their Own* May 18 2021 'There are so many laughs in this book, you almost forget how upsetting capitalism is' Simon Amstell A naked Russian oligarch is spanking me in his basement. His weapon is a birch branch, the setting his luxurious home sauna. Above us is 30,000 square feet of one of Moscow's most obscene private homes, an original Damien Hirst above the fireplace, a vacuum cleaning system built into the skirting boards. Invisible speakers serenade us with a desolate pan pipe cover of 'Bridge Over Troubled Water'. A light display rotates kaleidoscopically, illuminating the oligarch's genitals in a variety of unexpected hues. Everyone is silent. Then the oligarch's son Nikita looks at me with a mysterious smile. 'Now my mother will bring us honey.' Matt Knott spent over a decade traveling the globe as a private tutor. He has taught Shakespeare in Moscow, times tables in Tuscany, and is still trying to figure out how to explain long division. With brilliant honesty and wit, he takes us inside a world most of us only glimpse speeding past in a luxury SUV. Unfolding across four continents and featuring a colourful cast of butlers, billionaires and yummy mummies, this is a hilarious and touching chronicle of an unforgettable time.

*Rivington Was Ours* Oct 23 2021 Lady Gaga's old friend and former DJ Brendan Jay Sullivan paints a vivid picture of the downtown scene from which she emerged. Brendan Jay Sullivan was an up-and-coming DJ in New York City when he met Stefani Germanotta, then a struggling artist, in 2006. She was a go-go dancer who sewed her own outfits but had bigger ambitions—she wanted nothing less than to take over the music world. In this intimate portrait of the budding star who would soon catapult to fame and fortune, the author describes afternoons sitting with Gaga on the floor of her bare Lower East Side apartment, drinking wine from pint glasses and plotting out the pop stardom that awaited her. Filled with stories of love and heartbreak among Gaga and Sullivan and their circle of aspiring musicians and performers, and set against the vibrant backdrop of the downtown bars and parties of the mid-aughts, *Rivington Was Ours* is both a love letter to New York and a glimpse behind the veil of one of the biggest musical icons of her generation.

*Terry Richardson's Diary 2010* Aug 01 2022 Since September 2009, the legendary fashion and portrait photographer Terry Richardson has been keeping an online photo diary, posting a new picture every day. These posts typically contain informal portraits of whomever Richardson is shooting, or whichever celebrity, artist or other public figure has dropped by the studio--either for an actual sitting or perhaps to discuss an upcoming project. Also posted to the site are examples of Richardson's street photography--snaps of street signs, buildings and sights around New York. As with Andy Warhol's Time Capsules, the accumulation of these candid, off-the-cuff photographs over the past three years has amounted to a social map of the most interesting people on the fashion, art, political and music scenes. Equal parts red carpet and

intimate salon, the parade of people who enter Richardson's studio is boggling in its diversity. Amongst the thousands featured in Terry Richardson's *Diary 2010* are Barack Obama, Lady Gaga, Rihanna, Angela Westberry, Frank Ocean, Richard Prince, Ryan McGinley, Donatella Versace and Kate Moss. This tantalizing array of images also provides a sense of how many of our media and pop culture images are shaped by the creative energies of one talented individual. The book is presented in a yearbook format to accentuate its origins as a daily practice. Known for his punk-rock sensibility and willingness to take a fresh, edgy approach to portrait, fashion and documentary photography, Terry Richardson (born 1965) boasts a list of fashion clients including Marc Jacobs, Tom Ford and Yves Saint Laurent. His editorial work has been featured in publications ranging from *Rolling Stone* to *Vogue* and *Vice*.

*Joanne Trattoria Cookbook* Jan 26 2022 A collection of recipes and anecdotes, inspired by the world famous restaurant Joanne Trattoria, owned by Joe Germanotta, father of Lady Gaga. Family, food, and love are the foundation upon which Joe and Cynthia Germanotta raised their daughters. Built on those same principles, the Germanottas family-run restaurant is world-renowned for its vibrant hospitality, delicious Southern Italian fare, and warm familial atmosphere. Named in honor of Joe's sister who died of Lupus three months shy of her 20th birthday, Joanne Trattoria is more than a neighborhood restaurant; it is a mecca for Lady Gaga fans, a frequent gathering place for celebrities and notable New Yorkers, and a home to its faithful regulars and devoted staff. In his debut cookbook, Joe shares a mix of time-tested family recipes and house favorites—such as Joanne's Meatballs, Papa G's Chicken Scarpariello, and the unforgettable Nutellasagna—and for the first time recounts his inspirational story of fulfilling his lifelong dream of opening his own restaurant. With never-before released family photos, heartwarming testimonials and entertaining anecdotes from the extended Joanne family, as well as a moving foreword by the Germanottas' older daughter, Golden Globe®- and six-time Grammy®-winning, Academy Award-nominated global icon Lady Gaga, *Joanne Trattoria Cookbook: Classic Recipes and Scenes from an Italian-American Restaurant* will delight both fans and foodies alike.

*The First Church of What's Happening* Aug 09 2020 Literary Nonfiction. LGBTQIA Studies. What does it mean to be American, Californian, queer, even creative, in an era of tweeted populism and hashtags? Miah Jeffra examines our new and rapidly changing public life by questioning a few fundamentals--perception, memory, identity, violence, love--in all their complexity, and in their relationship to one other. *THE FIRST CHURCH OF WHAT'S HAPPENING* is a love letter to humanity and its resilience, even as it wades through divisive politics, social media and technological disassociation. "Miah Jeffra does not use his imagination to protect himself or to protect us. Instead, he gives us stories of reckless tenderness and anger and sorrow and lust--that overflow with images of wonder and desire. How wonderful!"--Robert Glück "Miah Jeffra writes somewhere between a scream and a growl, in short energetic essays that queer the language in exciting ways. In a letter to the late Keith Haring, Jeffra writes 'I want to feel like a bandit, a punk, a renegade.' And indeed he takes us on an outlaw's journey, provocateur and picador; flaunt and flirt. Here is a writer who grabs the reader by the balls in all the ways one hopes to be testicularly taken."--D.A. Powell "Through these dexterously choreographed essays, Miah Jeffra perfects a grim exuberance that comes to suggest a new optimism. He writes: 'We made the Titanic, we made the Hindenburg, we made

*the Challenger Shuttle. We made Fukushima. We make love.' Certainly, the blood kinship of love and disaster--each here driven by human ambition for more self-animates this passage. But what deepens it is the breadth of Jeffra's 'we.' There is generosity here despite our capacities for self-righteousness, predation, and social inequity. I leave THE FIRST CHURCH OF WHAT'S HAPPENING believing that what Jeffra evangelizes is resilience as a necessity, not a virtue."--Douglas Kearney "A gem of an essay collection, shot through with humor, anger, and a deep, deep love--for men, for humanity, for language. In lush, risk-taking prose, Jeffra explores what it means to be queer, alive, and struggling in high-tech, low-empathy America. He takes the pulse of the now and quickens it with this sparkling debut."--Janet Sarbanes "Both tough and tender, sometimes laugh-out-loud funny and other times direly serious, Miah Jeffra flips the script in these essays on art, danger, seduction and sexuality. Moving between critical, narrative, lyrical modes Jeffra illuminates and entertains. I loved this book."--Kazim Ali "Vision is a tricky enterprise. So writes Miah Jeffra in his sparkling new collection. In these lyrical essays Jeffra's quick eye catches what we often glide by, slide by, forget to notice, ignore. In these true to life, truer than life stories he shifts our focus from the obvious, the flash, the fa++ade, to the subtle, background, underground, under skin tales where truer, deeper meaning resides. Luminous moments that often get less fanfare shine forth, rendered by a narrator who doesn't always shout look at me, me, me, but instead look at us, us, us. All of us; the fragile, the fallible, the lovely, the strange. This book not only expands our visual field but our intellectual, emotional and imaginative fields as well. Go see."--Toni Mirosevich*

*Endless Endless* Jul 20 2021 An inspiring, revelatory exploration of the genesis and impact of the fabled Elephant 6 collective and the baffling exodus of its larger-than-life luminary, Neutral Milk Hotel frontman Jeff Mangum. Years after its release, Neutral Milk Hotel's *In the Aeroplane Over the Sea* remains one of the most beloved and best-selling albums in all of indie music, hailed as a classic so influential as to be almost synonymous with the ongoing vinyl revival. But despite its outsized impact, a question looms even larger: why did frontman Jeff Mangum, just as the record propelled him to the brink of music superstardom, choose instead to disappear entirely? The mystery has perplexed listeners for decades—until now. In barely two years, Neutral Milk Hotel rose from house show obscurity in Athens, Georgia, to widespread hype and critical acclaim, selling out rock clubs across the country and gracing the tops of numerous year-end best-of lists. But just as his band was reaching the escape velocity necessary to ascend from indie rock success to mainstream superstar, Mangum hit the eject button. After the 1998 release of *Aeroplane* and a worldwide tour to support it, Mangum stopped playing shows, releasing new music, or even doing interviews. He never explained why, not even to his friends or colleagues, but thanks to both the strength of *Aeroplane* and his vexing decision to walk away from rock stardom, Neutral Milk Hotel's impact only grew from there. In *Endless Endless*, Adam Clair finds the answer to indie rock's biggest mystery, which turns out to be much more complicated and fascinating than the myths or popular speculation would have you believe. To understand Mangum and Neutral Milk Hotel and *Aeroplane* requires a deep dive into the unconventional inner workings of the mercurial collective from which they emerged, the legendary Elephant 6 Recording Company. *Endless Endless* details the rise and fall of this radical music scene, the lives and relationships of the artists involved and the colossal influence that still radiates from it, centered around the collective's accidental figurehead, one of the most idolized and misunderstood artists in the world, presenting Mangum and his collaborators in vividly human detail and shining a light into the secret world of these extraordinary and aggressively bizarre artists. *Endless Endless* offers unprecedented access to this notoriously mysterious collective, featuring more than 100 new interviews and dozens of forgotten old ones, along with never-before-seen photos, answering questions that have persisted for decades while also provoking new ones. In this deeply researched account, *Endless Endless* examines not just how the Elephant 6 came to be so much more than the sum of its parts, but how community can foster art—and how art can build community.

*Supreme* May 06 2020 The first monograph on the iconic independent New York street fashion label Supreme. In April 1994, Supreme opened its doors on Lafayette Street in downtown Manhattan and became the home of New York City skate culture. Challenging the dominance of the established West Coast skater scene and the new conservatism of 1990s New York, Supreme defined the aesthetic of an era of rebellious cool that reached from skaters to fashionistas and hip hop heads. Over the last sixteen years, the brand has stayed true to its roots while collaborating with some of the most groundbreaking artists and designers of its generation, and with stores in Los Angeles and Japan has become an international icon of independent counter-cultural style. This definitive monograph - with written contributions from contrasting arbiters of style, Aaron Bondaroff and Glenn O'Brien, and including an interview between founder James Jebbia and the artist KAWS - brings together the disparate elements of

the brand's output, from legendary advertising campaigns to especially commissioned skateboard designs, photographs, and artworks, and a comprehensive index of their products to date. Including collaborations with Jeff Koons, Richard Prince, Damien Hirst, Public Enemy, Lou Reed, and Futura 2000 among many others, this richly illustrated book is a survey of sixteen years of contemporary street fashion and culture reflected in the pioneering work of one of New York's most influential independent labels.

*Heaven for Kids* Apr 04 2020 In a language kids can understand, Randy Alcorn explores Biblical answers to the questions kids often have about heaven. Intended for kids age 8-12, *Heaven for Kids* is sure to be an excellent resource for families, especially those in which the parents have read the adult title and wish to pass on that same level of understanding to their children. The book features ten chapters of questions, and answers based on scripture and written in a style relevant to today's kids. The book also has a summary of the Gospel for those who want to be sure they are going to Heaven someday. Randy encourages kids to live "in Light of Heaven."

For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself and others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded *Born This Way* Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years,

they've collected stories of kindness, bravery, and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice, just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. It is a gleeful show of sex, travelogue scenes of an American underbelly, amorous masked and caped crusaders, professional wrestling fans, Harmony Korine, genitalia, food, and assorted candid portraits. These are party nights and hangover mornings, an extreme display of confrontational horseplay and rude humor. Citing "America's Funniest Home Videos", the amateur shots in *Hustler*, and archival photos from family albums and portraits from school or Woolworth's as influences, Richardson combines these opposing sensibilities into a provocative documentary approach that will indeed push some buttons, in addition to finding a ravenous audience.

*Lady Gaga and the Remaking of Celebrity Culture* May 30 2022 *Lady Gaga* represents both the height of celebrity and a disruption of the norms surrounding the social position. This book charts the way the pop star manages the celebrity persona in her relationships with her fans, the development of her gender identity, her parodying of other celebrities, and her navigation of the legal and economic system that make up the music industry. Much of Gaga's ability to maintain ownership of her identity comes from her early decisions to characterize herself as a performance artist. For Gaga, this means living the persona 24 hours a day, seven days a week. Gaga mimicks celebrity life in a self-conscious way that makes the mimicry apparent. Her performance of celebrity is an on-going project—despite what she may claim, she was not born this way. The excess of her celebrity is magnified by her title: *Mother Monster*. Historically, media narratives of celebrities, monsters, and mothers have centered on uncontrolled excesses that must be contained. Gaga adopts these personas, but refuses to submit to the containment that comes with each. Instructors considering this book for use in a course may request an examination copy [here](#).
