Stick Jun 26 2022 "Stick" is the best wide receiver in the history of his high school--the football seems magnetically drawn to his hands, hence his nickname. Preston is an outcast, and his pipsqueak stature and nerdy social status couldn't be further from a star athlete's. Stick puts on his football costume every week to make others--his teammates, his dad, everyone but himself--happy, but he's fallen out of love with the sport and feels that he's lost control of his future. Preston puts on his homemade superhero costume every night to help others, too: to avenge his father's murder, he's determined to right the wrongs he sees in his neighborhood and regain control of the flawed world he sees around him. A twist of fate brings this unlikely pair together in a friendship that is as odd as it is true. Each can see the other better than he can see himself, and in these unexpected reflections lies a chance for mutual redemption. From the Hardcover edition.

A Kid from Southie Nov 19 2021 Desperate to help his unemployed mother, seventeen-year-old Aiden O'Connor reluctantly begins working for the Irish mob in tough South Boston, despite his coach's efforts to convince him he could be a professional boxer.

Communicating Science Jul 04 2020 This book describes the development of the scientific article from its modest beginnings to the global phenomenon that it has become today. Their analysis of a large sample of texts in French, English, and German focuses on the changes in the style, organization, and argumentative structure of scientific communication over

time. They also speculate on the future currency of the scientific article, as it enters the era of the World Wide Web. This book is an outstanding resource text in the rhetoric of science, and will stand as the definitive study on the topic.

Stick Dec 21 2021 "Stick, a star football player who's become disenchanted with the game, becomes friends with Preston, a nerdy kid who fights crime by night"--

Uncommon People I Have Known May 02 2020 The title and subtitle say a great deal about the character of this book. These are stories about people who inevitably stand out in a crowd for their personal attributes, their ethical standards, the ways in which they have coped with great problems, and their remarkable achievements. Significantly, fourteen of the sixteen stories in this book are about people who have in some way contributed to better government. Several have worked directly in government, others have been teachers, and still others have found ways to make contributions. Not all the stories are about people in the U.S. The two stories from Brazil involve people who stayed at home and did their good work there; in the other two instances, already blossoming careers at home were ended by extreme governmental changes. In all cases, however, these are people who must be admired for their extreme dedication to the highest ideals of service. In effect, this book can be considered a primer on government that works. The two whose stories did not directly concern government contributed mightily to a better society. One was a highly productive author, who, in later years ? concentrated on children's books and wrote more than 50 of them. The other pioneered a wholly different journalistic undertaking, the city-regional magazine. Today these publications are found throughout the country and are distinguished by their design quality and their commitment to the communities they serve.

Handbook of Administrative Ethics Sep 25 2019 Delineating implications for administrative ethics from other fields such as sociology, psychology, and philosophy, this reference provides a comprehensive review of administrative ethics in the public sector. Detailing the context within which contemporary ethics training has developed, the book examines the effectiveness of ethics training, legal and organizational devices for encouraging desired conduct, and other topics of particular relevance to the political and social contexts of public administration. Written by over 25 leading scholars in public administration ethics, the book creates a taxonomy for administrative ethics using the categories of modern philosophy.

18 Million Reasons to Die Jun 14 2021 The Mexican based Ruiz crime family flourished from exporting printed

pornography to Europe laundering the huge profits through the Viennese Liberec International Bank. When widowed, Fernando and son Carlos relocated to Miami. Carlos was despatched off to finish his education in New York State where he established friendships with the sons of wealthy and politically ambitious families. Carlos videoed his liaisons with the mothers of his fellow students. What he did not appreciate at the time was just how valuable such videos would be when his school friends fathers became elected to the US Senate and Congress. The internet began to diminish the profitability of the Ruiz business. Simultaneously the Belize drug cartels were infiltrating the Mexico end of the operations. In desperation, Fernando Ruiz reluctantly accepted a solution proposed from Carlos. "Youve eighteen million Euros to prove what can be done Carlos. Call this a test run through the Liberec Bank. I dont want anyone messed up, especially the local families in Mexico. As long as they are up to printing currency Ive already got the people who can organise the distribution by manipulating the computer systems. Before you know it well own most of the industrial property in Europe. What Carlos did not know was that the UK Intelligence Services had Bernice Jayne Peters inside of the Liberec Bank monitoring the laundering of Ruiz money. The issue was that Charles Grimshaw, who had been forced to engage Peters on his retreat team, did not trust her. Hackett, you go and see what the hell is going on. Too many bodies are turning up. Grimshaw had said. London wants, no, I want an end to this and yesterday. Copy/ paste into your browser for more - <http://www.mbchattelle.me.uk>

Public Administration's Final Exam Mar 24 2022 Examines why public administration's literature has failed to justify the profession's legitimacy as an instrument of governance Michael Harmon employs the literary conceit of a Final Exam, first "written" in the early 1930s, in a critique of the field's answers to the legitimacy question. Because the assumptions that underwrite the question preclude the possibility of a coherent answer, the exam should be canceled and its question rewritten. Envisaging a public administration no longer hostage to the legitimacy question, Harmon explains how the study and practice of public administration might proceed from adolescence to maturity. Drawing chiefly from pragmatist philosophy, he argues that despite the universal rejection of the "politics/administration" dichotomy on factual grounds, the pseudo-problem of legitimacy nonetheless persists in the guise of four related conceptual dualisms: 1) values and facts, 2) thinking and doing, 3) ends and means, and 4) theory and practice. Collectively, these dualisms demand an impossible answer to the practical question of how we might live, and govern, together in a world of radical uncertainty and interdependence. Only by dissolving them can the legitimacy question (Woodrow Wilson's ghost) finally be banished, clearing away the theoretical debris that obscures a more vital and useful conception of governance.

Sexually Transmitted Disease Surveillance Nov 27 2019

Ghost Mar 31 2020 This "Ghost" May Not Walk Through Walls, but Walls had Better Not Get in His Way! A New Techno-thriller Adventure Series by a New York Times Best-Selling Author. Former SEAL Michael Harmon, Team Name "Ghost", retired for service injuries, is not enjoying college life. But things are about to change, if not for the better. When he sees a kidnapping a series of, at the time logical, decisions leave him shot to ribbons and battling a battalion of Syrian commandos with only the help of three naked co-eds who answer to the names "Bambi," "Thumper" and "Cotton Tail." A fast-paced, highly-sexual, military-action thriller that ranges from a poison factory in the Mideast to the Florida Keys to Siberia, the novel will keep you guessing what twisted fate will bring next for the man once known as . . . Ghost. Keep an eye on him or . . . poof, he'll be gone. At the publisher's request, this title is sold without DRM (Digital Rights Management). "John Ringo's done it again! Ghost is a complete adrenaline rush, filled with nonstop, kick ass action and hair-raising suspense." ¾Richard Marcinko, New York Times best-selling author of *Rogue Warrior: Vengeance*.

Brutal Sep 29 2022 With her martyr-doctor mother gone to save lives in some South American country, Poe Holly suddenly finds herself on the suburban doorstep of the father she never knew, who also happens to be a counselor at her new high school. She misses Los Angeles. She misses the guys in her punk band. Weirdly, she even misses the shouting matches she used to have with her mom. But Poe manages to find a few friends: Theo, the cute guy in the anarchy Tshirt, and Velveeta, her oddly likeable neighbor—and a born victim who's the butt of every prank at Benders High. But when the pranks turn deadly at the hands of invincible football star Colby Morris, Poe knows she's got to fix the system and take down the hero. With insightfulness, spot-on dialogue, and a swiftly paced plot, Michael Harmon tells the story of a displaced girl grappling with a truly dangerous bully.

Skate Aug 29 2022 There's not much keeping Ian McDermott in Spokane, but at least it's home. He's been raising Sammy practically on his own ever since their mom disappeared again on one of her binges. They get by, finding just enough to eat and plenty of time to skateboard. But at Morrison High, Ian is getting the distinct, chilling feeling that the administration

wants him and his board and his punked hair gone. Simply gone. And when his temper finally blows—he actually takes a swing at Coach Florence and knocks him cold—Ian knows he’s got to grab Sammy and skate. Run. Their search for the one relative they can think of, their only hope, leads Ian and Sammy across the entire state of Washington in the cold and rain—and straight into a shocking discovery. Through it all, Ian knows exactly what he has to do: protect Sammy, and let no one split up their family of two. Michael Harmon tells a nuanced and unflinching story of wilderness survival, the fierce bond between brothers, and teen rage—and redemption.

Votes and Proceedings Dec 09 2020

The Last Exit to Normal Apr 24 2022 It’s true: After 17-year-old Ben’s father announces he’s gay and the family splits apart, Ben does everything he can to tick him off: skip school, smoke pot, skateboard nonstop, get arrested. But he never thinks he’ll end up yanked out of his city life and plunked down into a small Montana town with his dad and Edward, The Boyfriend. As if it’s not painful enough living in a hick town with spiked hair, a skateboard habit, and two dads, he soon realizes something’s not quite right with Billy, the boy next door. He’s hiding a secret about his family, and Ben is determined to uncover it and set things right. In an authentic, unaffected, and mordantly funny voice, Michael Harmon tells the wrenching story of an uprooted and uncomfortable teenaged guy trying to fix the lives around him—while figuring out his own.

Developing E-business Systems & Architectures Oct 07 2020 Offers a conceptual approach to e-business architecture using case studies, frameworks, and applications to explore component-based technologies.

Commemorative Biographical Record, Harrison, Ohio Feb 08 2021

Money Matters Apr 12 2021 With the economy being the way it is; businesses closing , jobs being cut, 401k's being lost, social security on the verge of bankruptcy, increasing costs on everything but lower pay for individuals, college degree's not carrying the weight they use to and the stock market crashing. It's time for "We The People" to restrategy and seek new financial information and techniques for our financial futures.

Whenever Two Or More Are Gathered Sep 17 2021 Argues that administrative ethics cannot be based solely on ambiguous ethics rules and must instead spring forth from nurtured human relationships.

In the Matter of the Contesting of the Election of John J. Metzger for the Office of President Judge of the 29th Judicial District of Pennsylvania Oct 26 2019

Illustrated History of Kennebec County, Maine; 1625-1799-1892 Aug 24 2019

Ready, Set, Dominate Jun 22 2019 In 2003 Michael Kennedy's Product Development for the Lean Enterprise was published and promptly turned product development in major corporations on its head. Now, five years later, comes a continuation of that book, including case histories that identify the pitfalls and lessons learned in implementing Toyota's product development system. The authors also show how Toyota's set-based learning system can be adapted and adopted by other areas of a business in order to produce major advantages over the competition. Whether a group of engineers is developing new cars, software applications, aerospace equipment, kitchen appliances, controls, sensors, or any of hundreds of different items, the process they follow is pretty much the same, except in one company - Toyota, perhaps the most innovative and highly respected car company on the planet. Companies that are early adopters of the Toyota system are certain to realize tremendous advantages over their competitors. This is a change that is coming to businesses everywhere and this book shows the way. It is a must-read for anyone in management.

Under the Bridge Oct 31 2022 Tate's younger brother Indy is probably the best skateboarder in Spokane. He's also really smart though he couldn't care less about school. But when Indy clashes with his father one too many times and drops out of school, it's up to Tate to win his brother back from the seedier elements of Spokane. Can Tate convince Indy to come home, finish his high school degree, and return to skating Under the bridge with their crew? Michael Harmon's fast-paced and highly charged novel captures the enduring bond between brothers and their struggle for survival on the gritty streets of Spokane.

The Responsible Administrator Jun 02 2020 Those who serve the public trust must take special care to ensure they make ethical and responsible decisions. Yet the realities of bureaucracies, deadlines, budgets, and demands for quick results make the payoffs for dealing formally with ethics seem unclear. Since its original publication, The Responsible Administrator has guided professionals and students alike as they grapple with the challenges of making ethical, responsible decisions in real world situations. This new edition includes information on coping with new demands for accountability, as well as new cases and examples, an examination of current issues relevant to administrative ethics, and supplementary materials for professors. Cooper's theoretical framework and practical applications and techniques will help you consider all of the factors involved in a decision, ensuring that you balance professional, personal, and organizational values. Case studies and examples illustrate what works and what does not. The Responsible Administrator helps both experienced and novice public administrators and students become effective decision makers, provides them with a solid understanding of the role of ethics in public service and the framework to incorporate ethical and values-based decision making in day-to-day management.

Organization Theory for Public Administration Aug 17 2021 Chatelaine Press has reissued two important books on Public Administration - ACTION THEORY FOR PUBLIC ADMINISTRATION by Michael M. Harmon & ORGANIZATION THEORY FOR PUBLIC ADMINISTRATION by Michael M. Harmon & Richard T. Mayer. In ACTION THEORY, Harmon takes head-on two vexatious problems in public administration: the need to relate theories to practice & the need to integrate values into what many regard as a science. Harmon's action theory begins with the face-to-face encounter that requires a decision, a reaction, or a plan. The purpose of the book is to provide a context for the critical appraisal of public administration theory & practice. The purpose of ORGANIZATIONAL THEORY, is to illuminate, from a wide variety of perspectives, the organizational contexts within which public administrators act. The book is practical - in ways that are instrumental, moral & diagnostic. Considering the many schools of thought in organization theory, they choose an approach which is more modest than synthesis & more useful than merely acknowledging the differences among theories. The distinctive relevance of organization theory to public organizations is a major tenet of this book. The intended audience for the books is both academics concerned with public administration & practicing administrators. To order: Chatelaine Press, 6454 Honey Tree Ct. Burke, VA 22015-3901. 703-569-2062.

The Chamber of Five Jan 22 2022 When Jason Weatherby is invited to join the Chamber of Five, an elite group of students who run the Lambert School via a shadow government, he sees how corrupt the institution is and decides to work from the inside to take it down.

Terrorism Today Feb 20 2022 The new edition of this best-selling insight into terrorism today has been fully updated and revised to include what the author terms the new 'militant Moslem international.' Drawing directly on the words and ideas of terrorists themselves, this book is an examination of patterns, current trends and future threats in terrorism worldwide. It explores the ideology and psychology, the politics and policies, the strategies and operations of many active small groups and major insurgencies. The terrorist leader emerges as a calculating, innovated and often well-educated person whose use of violence against the innocent is calibrated for maximum effects. The closing chapter is a stimulating discussion of the problems of counter-terrorism, making several key recommendations. Terrorism Today will be essential reading for students of terrorism, counter-insurgency and international security.

The Queen's Gambit Jan 10 2021 NOW A MAJOR NETFLIX SERIES starring Anya Taylor-Joy from Academy-Award nominee Scott Frank and BAFTA nominee Allan Scott 'Superb' Time Out 'Mesmerizing' Newsweek 'Gripping' Financial Times 'Sheer entertainment. It is a book I reread every few years - for the pure pleasure and skill of it' Michael Ondaatje

'Don't pick this up if you want a night's sleep' Scotsman When she is sent to an orphanage at the age of eight, Beth Harmon soon discovers two ways to escape her surroundings, albeit fleetingly: playing chess and taking the little green pills given to her and the other children to keep them subdued. Before long, it becomes apparent that hers is a prodigious talent, and as she progresses to the top of the US chess rankings she is able to forge a new life for herself. But she can never quite overcome her urge to self-destruct. For Beth, there's more at stake than merely winning and losing. 'Few novelists have written about genius - and addiction - as acutely as Walter Tevis' The Telegraph

Northwestern American Creepy Buildings: Their Storied Past Oct 19 2021 This edition showcases the effects and consequences of human depravity, frailty and criminal activity. The showcased and photographed remaining structures generally appear nondescript and ordinary, masking their significance and infamy. Throughout the western United States, these commonplace buildings silently testify to events involving violence and individuals whose acts have scarred others, society and sometimes simply themselves. Their stories remain compelling evidence towards the fragility of the human experience and lives severed abruptly. Once you've absorbed the history behind each building, you will never view them with indifference again. Paranormal activity within their confines is commonly reported. In the Shadow of Organization Sep 05 2020 Drawing upon critical social theorists like Habermas, depth psychologists like Jung, and phenomenologists like Husserl, Denhardt shows how the ethic of organization inhibits the individual's search for meaning and then discusses strategies for enhancing the individual's role. He champions independence, expressiveness, and creativity over discipline, regulation, and obedience.

Responsibility as Paradox Jul 16 2021 Exploring the concept of responsible government and administration, this book creates a new paradigm for looking at the issue. Michael M Harmon rejects the current predominant 'rationalist' theory, which holds that responsibility involves an intractable conflict between the potential free will of an actor and the restrictions of the institution within which the actor operates. He suggests that public administration must undergo a paradigm shift in which institutional restrictions and individual free will create a healthy and dynamic tension and are not completely incompatible.
