He engages in constant, meaningless sport sex with women, trying to numb the feeling of inadequacy inside. Then he sets his sights on his new neighbor... DARCY is strong, capable, outspoken, and in no way going to put up with some random jackass next door who decides to make a game of trying to get her into bed. But Isaiah is relentless. And Darcy finds herself torn between not letting him win, and giving into her own desire. Just as they start to get close, they realize that something more sinister is afoot and they will both be forced to confront feelings of betrayal that will set their lives in an unexpected direction.

**Torrent (Free Dark Romance)** Oct 23 2021 I was fifteen when I sent the love of my life to prison for a crime he didn't commit. Back then Rafe was my brother's best friend and off-limits, but that didn't stop me from drooling over him. I've never forgotten the guy whose green eyes made me weak in the knees. Rafe hasn't forgotten me either. Eight years later, I find him on my doorstep with revenge on the mind. The twisted part of this story? I still want him, even though he's taken me to a private island with no chance for escape. He says I've got eight years of misery to atone for, and every move he makes is designed to shame and punish. But I'm wired for his methods, and instead of delivering retribution, his brutal touch lights us both on fire. NOTE TO READERS: Torrent is a dark romance with kidnapping and other disturbing themes. Intended for mature readers. Not for the faint of heart. You've been warned. Part 1 in the Condemned series. **The Roxy Letters** Sep 09 2020 Meet Roxy. For fans of Where'd You Go, Bernadette and Bridget Jones's Diary comes "just the kind of comic novel we need right now" (The Washington Post) about an Austin artist trying to figure out her life one letter to her ex-boyfriend at a time. Bridget Jones penned a diary; Roxy writes letters. Specifically: she writes letters to her hapless, rent-avoidant ex-boyfriend—and current roommate—Everett. This charming and funny twenty-something is under-employed (and under-romanced), and she's decidedly fed up with the indignities she endures as a deli maid at Whole Foods (the original), and the dismaying speed at which her beloved Austin is becoming corporatized. When a new Lululemon pops up at the intersection of Sixth and Lamar where the old Waterloo Video used to be, Roxy can stay silent no longer. As her letters to Everett become less about overdue rent and more about the state of her life, Roxy realizes she's ready to be the

heroine of her own story. She decides to team up with her two best friends to save Austin—and rescue Roxy’s love life—in whatever way they can. But can this spunky, unforgettable millennial keep Austin weird, avoid arrest, and find romance—and even creative inspiration—in the process? With timely themes and hilarious, laugh-out-loud moments, *Roxy Letters* is a smart and clever story that is “bursting with originality, quirky wit, and delightful charm” (Hannah Orenstein, author of *Playing with Matches*).

**The Shimmering State** Aug 28 2019 "A luminous literary debut following two patients in recovery after an experimental memory drug warps their lives. Lucien moves to Los Angeles to be with his grandmother as she undergoes an experimental memory treatment for Alzheimer's using a new drug, Memoroxin. An emerging photographer, he's also running from the sudden death of his mother, a well-known artist whose legacy haunts him even far from New York. Sophie has just landed the lead in the upcoming performance of La Sylphide with the Los Angeles Ballet. She still waitresses during her off-hours at the Chateau Marmont, witnessing the recreational use of Memoroxin-or Mem-among the Hollywood elite. When Lucien and Sophie meet at the Center, founded by the ambitious yet conflicted Dr. Angelica Sloane to treat patients who've abused Mem, they have no memory of how they got there-or why they feel so inexplicably drawn to one another. Is it attraction, or something they cannot remember from "before"? Set in a city that seems to have no memory of its own, The Shimmering State is a graceful meditation on the power of story and its creation. It masterfully explores memory and how it can elude us,

trap us, or even set us free"--

Before the Soviet invasion of 1980, Enjeela Ahmadi remembers her home--Kabul, Afghanistan--as peaceful, prosperous, and filled with people from all walks of life. But after her mother, unsettled by growing political unrest, leaves for medical treatment in India, the

civil war intensifies, changing young Enjeela's life forever. Amid the rumble of invading Soviet tanks, Enjeela and her family are thrust into chaos and fear when it becomes clear that her mother will not be coming home. Thus begins an epic, reckless, and terrifying five-year journey of escape for Enjeela, her siblings, and their father to reconnect with her mother. In navigating the dangers ahead of them, and in looking back at the wilderness of her homeland, Enjeela discovers the spiritual and physical strength to find hope in the most desperate of circumstances. A heart-stopping memoir of a girl shaken by the brutalities of war and empowered by the will to survive, *The Broken Circle* brilliantly illustrates that family is not defined by the borders of a country but by the bonds of the heart.
