Nineteen Eighty-Four May 22 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Count of Monte Cristo Jun 30 2020 The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

The Purpose of Romans Apr 09 2021 This book analyses the structure and content of the four epistolary sections of a Pauline letter most directly related to the question of purpose: the opening formula, the thanksgiving, the apostolic 'Parousia' and the conclusion. Jervis proposes that while the concerns of the letter involve Paul's missionary plans and his desire to establish himself as the Roman Christians' leader

in the faith, the primary function of Romans is for Paul to make available to Christians at Rome the good news in all of its power. Romans is written to fulfil Paul's mandate to establish and nurture his Roman readers in a life of faith marked by obedience and holiness to preach the gospel to them.

Letters of the Nun Eshinni Jun 18 2019 Eshinni (1182–1268?), a Buddhist nun and the wife of Shinran (1173–1262), the celebrated founder of the True Pure Land, or Shin, school of Buddhism, was largely unknown until the discovery of a collection of her letters in 1921. In this study, James C. Dobbins, a leading scholar of Pure Land Buddhism, has made creative use of these letters to shed new light on life and religion in medieval Japan. He provides a complete translation of the letters and an explication of them that reveals the character and flavor of early Shin Buddhism. Readers will come away with a new perspective on Pure Land scholarship and a vivid image of Eshinni and the world in which she lived. After situating the ideas and practices of Pure Land Buddhism in the context of the actual living conditions of thirteenth-century Japan, Dobbins examines the portrayal of women in Pure Land Buddhism, the great range of lifestyles found among medieval women and nuns, and how they constructed a meaningful religious life amid negative stereotypes. He goes on to analyze aspects of medieval religion that have been omitted in our modern-day account of Pure Land and tries to reconstruct the religious assumptions of Eshinni and Shinran in their own day. A prevailing theme that runs throughout the book is the need to look beyond idealized images of Buddhism found in doctrine to discover the religion as it was lived and practiced. Scholars and students of Buddhism, Japanese history, women's studies, and religious studies will find much in this engaging work that is thought-provoking and insightful.

H. Beam Piper Oct 15 2021 H. Beam Piper is one of science fiction's most enigmatic writers. In 1946 Piper appeared seemingly from out of nowhere, already at the top of his form. He published a number of memorable short stories in the premier science fiction magazine of the time, Astounding Science Fiction, under legendary editor John W. Campbell. Piper quickly became friends with many of the top writers of the day, including Lester Del Rey, Fletcher Pratt, Robert Heinlein and L. Sprague de Camp. Piper also successfully made the turn from promising short story writer to major novelist, authoring Four-Day Planet, Cosmic Computer, Lord Kalvan of Otherwhen and Little Fuzzy, which was nominated for a Hugo award. Even those who counted Piper among their friends knew very little about the man or his life as a railroad yard bull in Altoona, Pennsylvania. This biography illuminates H. Beam Piper, both the writer and the man, and answers lingering questions about his death. Appendices include a number of Piper's personal papers, a complete bibliography of Piper's works, and an essay on Piper's Terro-Human Future History series.

Symmetrical Analysis Techniques for Genetic Systems and Bioinformatics: Advanced Patterns and Applications Mar 20 2022 "This book compiles studies that demonstrate effective approaches to the structural analysis of genetic systems and bioinformatics"--Provided by publisher.

A Connecticut Yankee in King Arthur's Court Feb 19 2022 Daniel Beard's original illustrations accompany the story of a Connecticut workman who finds himself transported back to medieval England

C S Lewis Oct 03 2020 An Oxford student of C.S. Lewis's said he found his new tutor interesting, and was told by J.R.R. Tolkien, 'Interesting? Yes, he's certainly that. You'll never get to the bottom of him.' You can learn a great deal about people by their friends and nowhere is this more true than in the case of C.S. Lewis, the remarkable academic, author, populariser of faith - and creator of Narnia. He lost his mother

early in life, and became estranged from his father, much to his regret. Throughout his life, key relationships mattered deeply to him, from his early days in the north of Ireland and his schooldays in England, as still a teenager in the trenches of World War One, and then later in Oxford. The friendships he cultivated throughout his life proved to be vital, influencing his thoughts, his beliefs and his writings. What did Arthur Greeves, a life-long friend from his adolescence, bring to him? How did J.R.R. Tolkien, and the other members of the now famous Inklings, shape him? Why, in his early twenties, did he move in with a single mother twice his age, Janie Moore, and live with her for so many years until her death? And why did he choose to marry so late? What of the relationship with his alcoholic and gifted brother, who eventually joined his unusual household? In this sparkling new biography, which draws on material not previously published, Colin Duriez brings C.S. Lewis and his friendships to life.

The Paris Letters of Thomas Eakins Dec 25 2019 The young Thomas Eakins's most revealing letters—published here for the first time The most revealing and interesting writings of American artist Thomas Eakins are the letters he sent to family and friends while he was a student in Paris between 1866 and 1870. This book presents all these letters in their entirety for the first time; in fact, this is the first edition of Eakins's correspondence from the period. Edited and annotated by Eakins authority William Innes Homer, this book provides a treasure trove of new information, revealing previously hidden facets of Eakins's personality, providing a much richer picture of his artistic development, and casting fresh light on his debated psychosexual makeup. The book is illustrated with the small, gemlike drawings Eakins included in his correspondence, as well as photographs and paintings. In these letters, Eakins speaks openly and frankly about human relationships, male companionship, marriage, and women. In vivid, charming, and sometimes comic detail, he describes his impressions of Paris--from the training he received in the studio of Jean-Léon Gérôme to the museums, concerts, and popular entertainments that captured his imagination. And he discusses with great insight contemporary aesthetic and scientific theories, as well as such unexpected subjects as language structure, musical composition, and ice-skating technique. Also published here for the first time are the letters and notebook Eakins wrote in Spain following his Paris sojourn. This long-overdue volume provides an indispensable portrait of a great American artist as a young man.

Money Letters Aug 21 2019 Letters from a mother to her daughter about all things dealing with money and personal finances. It's not about teaching how to make more money, but how to better manage the money you have. Every letter starts with a lesson and ends with love -- Back cover.

Chasing Vermeer (Scholastic Gold) Jan 26 2020 Chasing Vermeer joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! When a book of unexplainable occurrences brings Petra and Calder together, strange things start to happen: Seemingly unrelated events connect; an eccentric old woman seeks their company; an invaluable Vermeer painting disappears. Before they know it, the two find themselves at the center of an international art scandal, where no one is spared from suspicion. As Petra and Calder are drawn clue by clue into a mysterious labyrinth, they must draw on their powers of intuition, their problem solving skills, and their knowledge of Vermeer. Can they decipher a crime that has stumped even the FBI?

The Earp Brothers of Tombstone Jan 06 2021 The Earp Brothers of Tombstone and the famous fight at the O. K. Corral are well known to American history and even better known to American legend. This composite biography of Wyatt, Morgan, Virgil, James, and Warner Earp is based on the recollections of Mrs. Virgil Earp, dictated to the author in the 1930s, and amplified by documents he unearthed in 1959. In his review of the book for Library Journal, W. S. Wallace stated that he considered The Earp Brothers of Tombstone "the most authoritative account ever to be published on the subject."

Zenzele Mar 28 2020 Written as a letter from a Zimbabwean mother to her daughter, a student at Harvard, J. Nozipo Maraire evokes the moving story of a mother reaching out to her daughter to share the lessons life has taught her and bring the two closer than ever before. Interweaving history and memories, disappointments and dreams, Zenzele tells the tales of Zimbabwe's struggle for independence and the men and women who shaped it: Zenzele's father, an outspoken activist lawyer; her aunt, a schoolteacher by day and secret guerrilla fighter by night; and her cousin, a maid and a spy. Rich with insight, history, and philosophy, Zenzele is a powerful and compelling story that is both revolutionary and revelatory--the story of one life that poignantly speaks of all lives.

Code of Federal Regulations Nov 04 2020

Slaughterhouse-Five Jun 23 2022 Kurt Vonnegut's masterpiece, *Slaughterhouse-Five* is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties.

Swami Vivekananda's History of Universal Religion and its Potential for Global Reconciliation Nov 23 2019

Paul the Letter-writer and the Second Letter to Timothy Oct 23 2019 This study argues for new perspectives on the letters of Paul, especially the Second Letter to Timothy. It examines striking aspects of Paul's letters, especially the fact that many of them are co-authored, that six of them acknowledge that a secretary has penned the letter, and that 1 Timothy, 2 Timothy and Titus are the only ones addressed to individuals. It investigates the implications of these facts for the concept of Pauline authorship. Prior maintains that the received arguments, statistical as well as literary, which exclude 2 Timothy from the influence of Paul, are less than convincing. The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment. Contrary to all interpretations of the letter which argue that Paul was about to be martyred, Prior claims that Paul was confident that he would be released, and was assembling a mission team to bring his proclamation of the Gospel to a completion. Timothy's courage and missionary zeal needed rekindling, for he and Mark were to be key figures in this new team.

The Stranger Feb 07 2021 With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

Book Trade Catalogues in Early Modern Europe Aug 01 2020 This edited collection offers the latest scholarship on book catalogues in early modern Europe. Contributors discuss the role that these catalogues played in bookselling and book auctions, as well as in guiding the tastes of book collectors.

The Life and Letters of St. Teresa Dec 05 2020

Passing Oct 27 2022 Clare Kendry has severed all ties to her past. Elegant, fair-skinned and ambitious, she is married to a white man who is unaware of her African-American heritage. When she renews her acquaintance with her childhood friend Irene, who has not hidden her origins, both women are forced to reassess their marriages, the lies they have told - and to confront the secret fears they have buried within themselves. Nella Larsen's intense, taut and psychologically nuanced portrayal of lives and identities dangerously colliding established her as a leading writer of America's Harlem Renaissance. The Penguin English Library - collectable general readers' editions of the best fiction in English, from the eighteenth century to the end of the Second World War.

The Scarlet Letter Sep 26 2022

Framing Paul May 30 2020 All historical work on Paul presupposes a story concerning the composition of his letters -- which ones he actually wrote, how many pieces they might originally have consisted of, when he wrote them, where from, and why. But the answers given to these questions are often derived in dubious ways. In Framing Paul Douglas Campbell reappraises all these issues in rigorous fashion, appealing only to Paul's own epistolary data in order to derive a basic frame for the letters on which all subsequent interpretation can be built. Though figuring out the authorship and order of Paul's letters has been thought to be impossible, Campbell's Framing Paul presents a cogent solution to the puzzle.

Union And Confederate Submarine Warfare In The Civil War Feb 25 2020 Submarine use and experimentation during the Civil War was far more widespread than generally known. Drawing on years of archival research, submarine expert Mark Ragan outlines the building programs, construction plans, and underwater operations of both the Union and the Confederacy. 50 photos/illustrations. 6 maps. Nationwide book signings.

Rules for English spelling Jul 20 2019

Architectural Drafting for Interior Designers Sep 21 2019 This resource on architectural drafting introduces the topic specifically for beginning interior designers. This second edition adds a new chapter 14, 'Incorporating the Computer,' which covers integrating software with hand drafting. Content reorganization - like new chapter 3, '2D and 3D' - makes this edition even more intuitive, with specific topics easy to locate.
