The Story of Kao Yu Jun 02 2020 "The Story of Kao Yu" is a new fantasy short story by the legendary Peter S. Beagle which tells of an aging judge traveling through rural China and of a criminal he encounters. Of the story, Beagle says it "comes out of a lifelong fascination with Asian legendry — Chinese, Japanese, Korean, Indian, Indonesian — all drawn from cultures where storytelling, in one form or another, remains a living art. As a young writer I loved everything from Robert van Gulik's Judge Dee mysteries to Lafcadio Hearn's translations of Japanese fairytales and many lesser-known fantasies. Like my story 'The Tale of Junko and Sayuri,' 'The Story of Kao Yu' is a respectful imitation of an ancient style, and never pretends to be anything else. But I wrote it with great care and love, and I'm still proud of it." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle* Aug 17 2021 In *Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle*, David Stevens examines the fantasy of American writer Peter S. Beagle. He finds a consistent view of the world and an almost overpowering sense of humor, leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living. His work will be read and enjoyed for generations to come, and Stevens tells you why. Beagle indulges in what Stevens terms "metaphysical speculations": a working-out of the possibilities of the world being different than it is. He invites the reader to examine these speculations with him, and when we do, to come away from the experience as better men and women, believing in the transforming power of love and laughing at ourselves in the process. No writer could ask for more, or succeed better. Beagle would have us believe, to paraphrase Shakespeare's Hamlet, that there are more things in heaven and earth than are dreamt of in our philosophy. Complete with bibliography and index.

**Rivers of London** Oct 26 2019 'Ben Aaronovitch's masterfully crafted world of magic, ghosts and gruesome crimes gives the late, great Terry Pratchett a run for his money' *The Sun* 'Great, great fun' Simon

Mayo, Radio 2 My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly voluble, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.
