Abc Car Parts Book for Kids Apr 20 2022 Your child will not only learn the alphabet using car parts as an example but also many interesting stories about automobiles. You'll be able to bond with your child by explaining to them how the different parts in a car work. Did you know that the first car navigation looked like a wristwatch? With this book your child will learn: All the letters of the alphabet - Each letter in the alphabet is accompanied by a picture with at least one part of the car that begins with that letter. Car parts - Each part is accompanied by, a brief definition. The book covers various parts such as airbag, engine, shock absorber, or seat belt. Interesting Facts - On each page, there is an interesting fact or historical reference about automobiles. Your child will learn when the first car was built, what the first headlights looked like, or the history of the first driving license. You, with this book, will get the opportunity to connect with your child. You will be able to elaborate on the different parts of a car. Some definitions will require further explanation, so you can explain them to your child and get them interested in automobiles. Also, you will learn interesting facts about cars and you will be able to expand your knowledge about this topic together. Together you can talk for hours about cars. Content information about this book: 50 colorful pages with alphabet letters from A to Z - with pictures definitions and fun facts Knowledge and Education - short interesting facts about cars Cover - eye-catching elements make the child more likely to reach for the book If you want your child to learn letters enjoyably, spend a pleasant time with him explaining how a car works, and learn some interesting facts and stories, choose our book.
