[Juliet, Naked](#) Aug 09 2020 Annie and Duncan are a mid-thirties couple who have reached a fork in the road, realising their shared interest in the reclusive musician Tucker Crowe (in Duncan's case, an obsession rather than an interest) is not enough to hold them together any more. When Annie hates Tucker's 'new release', a terrible demo of his most famous album, it's the last straw - Duncan cheats on her and she promptly throws him out. Via an internet discussion forum, Annie's harsh opinion reaches Tucker himself, who couldn't agree more. He and Annie start an unlikely correspondence which teaches them both something about moving on from years of wasted time. Nick Hornby's compelling new novel, four years after *A Long Way Down*, is about the nature of creativity and obsession, and how two lonely people can gradually find each other.

Asshole Yakuza Boyfriend Feb 01 2020 Mina Davis, private investigator, is hired to find missing nineteen-year-old Rose Scott. Her only clue leads her instead to a badly wounded yakuza thug. Now, if Mina's to have any hope of finding the missing girl, she'll have to keep the gangster alive long enough to convince him to help her. Unfortunately, with both the police and the yakuza looking for him, that might be easier said than done. Making matters worse, Mina's gunshot new friend remains stubbornly loyal to his criminal family, in spite of the bullets they put in him. On top of that, he's condescending, rude, and generally just sort of an asshole... and very likely a killer. Worst of all, that makes him pretty much exactly Mina's type.

Triple Platinum Dec 01 2019 FEVER PITCH, winner of the William Hill Sports Book of the Year Award, stands as the definitive statement on the obsessive nature of football fandom. His triumph is that, without glossing over its large-scale stupidities and discomforts, he makes terrace life seem not just plausible but sometimes near-heroic in its single minded vehemence, its heart shaking highs and lows. Independent on Sunday HIGH FIDELITY hilariously and movingly explains men to women and to themselves. It is rare that a book so hilarious is also so sharp about sex and manliness, memory and music. Many men and, certainly, all addictive personalities will find in these pages shadows of themselves. And most of us will hear, in Hornby's acoustic prose, the obsessive chords of the past that more often lock up than liberate our hearts. New Yorker ABOUT A BOY explores the connections people make when the so-called ideal family model does not apply. An almost perfect book, hugely entertaining and on the side of the angels . . . About a Boy is laughter in the dark. The Times

[A Long Way Down](#) Nov 11 2020 Narrated in turns by a dowdy, middle-aged woman, a half-crazed adolescent, a disgraced breakfast TV presenter and an American rock star cum pizza delivery boy, *A Long Way Down* is the story of the Toppers House Four, aka Maureen, Jess, Martin and JJ. A low-rent crowd with absolutely nothing in common - save where they end up that New Year's Eve night. And what they do next, of course. Now, two decades later, she's a nearly divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. Boy on Fire Jul 28 2019 An intensely beautiful, profound and poetic biography of the formative years of the dark prince of rock 'n' roll, *Boy on Fire* is Nick Cave's creation story, a portrait of the artist first as a boy, then as a young man. A deeply insightful work which charts his family, friends, influences, milieu and, most of all, his music, it reveals how Nick Cave shaped himself into the extraordinary artist he would become. A powerful account of a singular, uncompromising artist, *Boy on Fire* is also a vivid and evocative rendering of a time and place, from the fast-running dark rivers and ghost gums of country-town Australia to the torn wallpaper, sticky carpet and manic energy of the nascent punk scene which hit staid 1970s Melbourne like an atom bomb. *Boy on Fire* is a stunning biographical achievement.

Unmastered Mar 04 2020 Unmasteredis a new kind of book that allows us to think afresh about desire. Incisive, moving, and lyrical, it opens up a larger space for the exploration of feelings that can be difficult to express. Scarp May 18 2021 Nick Papadimitriou has spent a lifetime living on the margins, walking and documenting the landscapes surrounding his home in Child's Hill, North London, in a study he calls Deep Topography. Part meditation on nature and walking, part memoir and part social history, his arresting debut is first and foremost a personal inquiry into the spirit of a place: a 14-mile broken ridge of land on the fringes of Northern London known as Scarp. Conspicuous but largely forgotten, a vast yet largely invisible presence hovering just beyond the metropolis, Scarp is a vast storehouse of regional memory. We join the author as he explores and reimagines this brooding, pregnant landscape, meticulously observing his surroundings, finding surprising connections and revealing lost slices of the past. SCARP captures the satisfying experience of a long, reflective walk. Whether talking about the beauty of a bird or a telegraph pole, deaths at a roundabout or his own troubled past, Papadimitriou celebrates the poetry in the everyday. His captivating prose reveals that the world around us is alive and intrinsically valuable in ways that the trappings of day-to-day life lead us to forget, and allows us to re-connect with something more authentic, more immediate, more profound.
