The Time For Love Apr 26 2022 #1 New York Times bestselling author Stephanie Laurens explores what happens when a gentleman intent on acquiring a business meets the unconventional lady-owner, only to discover that she is not the biggest or the most lethal hurdle they and the business face. Martin Cynster arrives at Carmichael Steelworks set on acquiring the business as the jewel in his industrialist's crown, only to discover that the lady owner is not at all what he expected. Miss Sophia Carmichael learned about steelmaking at her father's knee and, having inherited the major shareholding, sees no reason not to continue exactly as she is—running the steelworks and steadily becoming an expert in steel alloys. When Martin Cynster tracks her down, she has no option but to listen to his offer—until impending disaster on the steelworks floor interrupts. Consequently, she tries to dismiss Martin, but he's persistent, and as he has now saved her life, gratitude compels her to hear him out. And day by day, as his understanding of her and the works grows, what he offers grows increasingly tempting, until a merger, both business-wise and personal, is very much on their cards. But a series of ever-escalating incidents makes it clear someone else has an eye on the steelworks. The quest to learn who and why leads Martin and Sophy into ever greater danger as, layer by layer, they uncover a diabolical scheme that, ultimately, will drain the lifeblood not just from the steelworks but from the city of Sheffield as well. A classic historical romance, incorporating adventure and intrigue, set in Sheffield. A Cynster Next Generation novel. A full-length historical romance of 100,000 words.

The Pioneers of Psychoanalysis in South America Nov 29 2019 Shortly before and during World War II many European psychoanalysts found refuge in South America, concentrated in Buenos Aires. Here, together with local professionals, they created a strong, creative and productive psychoanalytic movement that in turn gave birth to theoretical and clinical contributions that transformed psychoanalysis, psychology, medicine and culture in South America. *The Pioneers of Psychoanalysis in South America* is a collection of those pioneers' papers, and introduces the reader to a body of ideas and advancements, many of which have had limited and piecemeal exposure within the psychoanalytic community in the rest of the world until now. The editors Nydia Lisman-Pieczanski and Alberto Pieczanski present original papers and essays, many of which have never before been published in English; those that have been translated were rarely presented in context. Each one of the chapters is accompanied by a scholarly introduction written by psychoanalysts, many of whom personally knew the pioneers and their oeuvres in depth, tracing the roots of their ideas in the European analytic schools. *The Pioneers of Psychoanalysis in South America* is divided into six main sections: Psychoanalytic process Psychoanalytic technique Metapsychology Psychoanalysis of children Culture and society Psychosomatic medicine. Nydia Lisman-Pieczanski and Alberto Pieczanski provide a coherent guide to the seminal ideas and practices of the South American psychoanalysts who have made major theoretical and clinical contributions to the advancement of the psychoanalytic discipline. The chapters present the material in a way that is accessible to psychoanalysts from across the globe and will enable them to incorporate the ideas and practices outlined here into their everyday psychoanalytic work. It will also be of interest to psychoanalytic psychotherapists, academics interested in the history and development of psychoanalytic ideas and psychoanalysis, and advanced students. The following link leads to a video interview featuring Nydia Lisman-Pieczanski and Alberto Pieczanski by the Washington Center for Psychoanalysis for the History Project, where they open up about their stories, their marriage, and their new book: <https://www.routledge.com/posts/8996>

Love's Shadow Jul 26 2019 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry, comedy, and love. Literary criticism is an agent of despair, and its poster child is Walter Benjamin. Critics have spent decades stewing in his melancholy. What if instead we dared to love poetry? To choose comedy over Hamlet's tragedy, romance over Benjamin's suicide on the edge of France, of Europe, of civilization? Paul Bové challenges young lit critters to throw away their shades and let the sun shine in. Love's Shadow is his three-step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self-consciousness. The first step is to choose poetry. There has been since the time of Plato a battle between philosophy and poetry. Philosophy has championed misogyny, while poetry has championed women, like Shakespeare's Rosalind. Philosophy is ever so stringent; try instead the sober cheerfulness of Wallace Stevens. Bové's second step is to choose the essay. He praises Benjamin's great friend and sometime antagonist Theodor Adorno, who gloried in the writing of essays, not dissertations and treatises. The third step is to choose love. If you want a Baroque hero, make it Rembrandt, who brought lovers to life in his paintings. Putting aside passivity and cynicism would amount to a revolution in literary studies. Bové seeks nothing less, and he has a program for achieving it.

The Bastion Club Aug 31 2022 Get the first three Bastion Club Novels in one boxed set from #1 New York Times bestselling author Stephanie Laurens! Fans of wildly adventurous historical romances will enjoy these stories about loyal, strong-willed gentlemen determined to find the perfect bride! The Lady Chosen There is more than a touch of the wild adventurer in each of them, and they are loyal to the bone. Seven of London's most eligible bachelors band together to form The Bastion Club, an elite society of gentlemen dedicated to determining their own futures when it comes to that most important step of all—marriage. Tristan Wemyss, Earl of Trentham, never expected he'd need to wed within a year or forfeit his inheritance. But he is not one to bow to the matchmaking mamas of the ton—the lady he chooses is his enchanting next-door neighbor. Miss Leonora Carling has beauty, spirit and passion; unfortunately, matrimony is the last thing on her mind . . . Tristan's kisses might be oh-so-tempting, but once bitten, forever shy, Leonora has turned her back on marriage. But Tristan is a seasoned campaigner who will not accept defeat. And when a mysterious man attempts to scare Leonora and her family from their home, Tristan realizes he's been given the perfect excuse to offer his services—as protector, seducer and, ultimately, husband. A Gentleman's Honor The Season has yet to begin, and the second member of the Bastion Club, tall, handsome Anthony Blake, Viscount Torrington, is already a target for every matchmaking mama in London. But there is only one lady who sparks his interest. . . . Desperate, penniless, but determined, Alicia intends making a spectacular match for her ravishing younger sister. Masquerading as the widowed "Mrs. Carrington," Alicia boldly launches her sibling into the ton. But a moonlit stroll proves Alicia's undoing when it leads to an accusation of murder. Every instinct Tony Blake possesses tells him that Alicia—the exquisite, distraught beauty he discovers standing over a dead body in his godmother's garden—is innocent. His connections allow him to take control of the investigation, while his social prominence provides public support. But it is more than honor that compels him to protect this imperiled beauty—and he will do everything in his seductive power to make Alicia his. A Lady of His Own Deep in the country, the third of the seven members of the Bastion Club meets his long-fated match. Appalled by the damsels of the ton, Charles St. Austell seeks refuge in his castle—and discovers Lady Penelope Selborne walking the deserted corridors at midnight. Years ago, they'd consummated their youthful passion on one unforgettable afternoon, but while the ardent interlude haunts Charles still, Penny wants nothing more to do with him. Yet although Penny has vowed she won't settle for anything less than true love, resisting a stronger, battle-hardened Charles proves difficult. And when a traitorous intrigue threatens them both, she discovers that her first love—a man who will not rest until he has made her his own—is her fated champion and protector.

The Truth about Love May 28 2022 One of the most eligible gentlemen in the ton, Gerrard Debbington is besieged by offers from London's most sought-after beauties, but as the ton's foremost artistic lion, there's only one offer he wants to accept - the chance to paint the fantastical but seldom-seen gardens of reclusive Lord Tregonning's Hellebore Hall. That chance is dangled before Gerrard, but to grasp it he must fulfill Lord Tregonning's demand that he also create an open and honest portrait of the man's daughter. Gerrard loathes the idea of wasting his time and talents on some simpering miss, but with no alternative, he agrees. Only Gerrard is stunned by the deep emotions Jacqueline stirs, and captivated by her passionate nature and innate goodness. He is soon convinced that Jacqueline is the soulmate he needs as his wife. But something is horribly wrong at Hellebore Hall. Evil lurks in the beautiful gardens and along the rambling pathways. And that evil reaches out to ensnare Jacqueline, trapping her in a web of insidious whispers - whispers that paint her as a double murderess.

Foes, Friends, and Lovers Nov 09 2020 #1 New York Times bestselling author Stephanie Laurens returns with a tale of a gentleman seeking the road to fulfillment and a lady with a richly satisfying life but no certain future. A gentleman searching for a purpose in life sets out to claim his legacy, only to discover that instead of the country residence he'd expected, he's inherited an eccentric community whose enterprises are overseen by a decidedly determined young lady who is disinclined to hand over the reins. Gregory Cynster arrives at the property willed to him by his great-aunt with the intention of converting Bellamy Hall into a quiet, comfortable, gentleman's country residence, only to discover the Hall overrun by an eclectic collection of residents engaged in a host of business endeavors under the stewardship of a lady far too young to be managing such reins. With the other residents of the estate, Caitlin Fergusson has been planning just how to deal with the new owner, but coming face to face with Gregory Cynster throws her and everyone else off their stride. They'd anticipated a bored and disinterested gentleman who, once they'd revealed the income generated by the Hall's community, would be content to leave them undisturbed. Instead, while Gregory appears the epitome of the London rake they'd expected him to be, they quickly learn he's determined to embrace Bellamy Hall and all its works and claim ownership of the estate. While the other residents adjust their thinking, the burden of dealing daily with Gregory falls primarily on Caitlin's slender shoulders, yet as he doggedly carves out a place for himself, Caitlin's position as chatelaine-cum-steward seems set to grow redundant. But Caitlin has her own reasons for clinging to the refuge her position at Bellamy Hall represents. What follows is a dance of revelations, both of others and also of themselves, for Gregory, Caitlin, and the residents of Bellamy Hall. Yet even as they work out what their collective future might hold, a shadowy villain threatens to steal away everything they've created. A classic historical romance set in an artisanal community on a country estate. A Cynster Next Generation novel. A full-length historical romance of 118,000 words. Praise for Foes, Friends, and Lovers "Fans of full-bodied Regency romances with dynamic female leads will find much to enjoy in Foes, Friends, and Lovers." Virge B., Proofreader, Red Adept Editing "When Gregory Cynster inherits Bellamy Hall and arrives to inspect the enormous home, he's surprised to find a woman, Caitlin Fergusson, serving as steward of the highly unconventional estate. Though Caitlin is secretive about her past, Gregory quickly realizes he can't afford to lose her help, and he bides his time in learning precisely what her past looks like and whether he can be a part of her future. Fans of Regency romance will relish this tale." Angela M., Copy Editor, Red Adept Editing

It is written with the hope that it will entertain its readers with the many stories and characters within. The book begins with Jackson parachuting into Normandy on D Day. He promises a young paratrooper he would go to East Texas and tell his parents how he died. He did not realize the young paratrooper was the sole heir of a multibillion dollar estate. The first stories are about Jackson's stay in Army hospitals and being discharged. The book tells the stories of his two year journey to East Texas to keep his promise to the dead soldier. Jackson learns the soldier's family is the Bastions who own nearly all of Red River County plus some of Bowie County. He marries El, their beautiful auburn haired daughter, and she makes him joint heir of the entire Bastion estate. The book tells how Jackson uses an unlimited amount of money to do good for all. He and El were, and remained, deeply in love. El was always his greatest supporter in what seemed his scatter-brained adventures. Jackson had married a one hundred thousand acre cattle ranch and couldn't ride a horse. He bought a caterpillar to ride the range while he learned to ride a real horse. It didn't take long for him to ride with the best. BOBBY NEAL CHAPMAN was born to tenant cotton farmers Basil Calvin Chapman and Etalka Lee Chapman on December 14, 1926. Mother of Learning: ARC 1 Mar 14 2021 Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

Thomas Aquinas Sep 27 2019 Norman L. Geisler reintroduces evangelicals to the man they forgot, clarifying Aquinas' teachings about the nature of God, Scripture, faith, reason, and other key issues of apologetics and ethics. Aquinas, the author argues, is a more articulate defender of the faith than anyone in our midst. Roman Catholic Aquinas scholar Robert N. Campbell observes that Geisler makes a good case for his message that the writings of Aquinas can be of great value to today's Protestant and Roman Catholic philosophers and theologians. The book gives an understandable presentation of many of Aquinas' major contributions and shows how they are relevant, at times even crucial, to contemporary discussion, adds Winfried Corduan of Taylor University. In the process Geisler strikes a credible blow against the current unfounded prejudice toward St. Thomas in evangelical thought.
