The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

Restoring the House of God Aug 09 2020 A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

God's Feminist Movement Jun 30 2022 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!
