The Light of Days Nov 23 2021 One of the most important untold stories of World War II, *The Light of Days* is a soaring landmark history that brings to light the extraordinary accomplishments of brave Jewish women who inspired Poland's Jewish youth groups to resist the Nazis. Witnesses to the brutal murder of their families and the violent destruction of their communities, a cadre of Jewish women in Poland - some still in their teens - became the heart of a wide-ranging resistance network that fought the Nazis. With courage, guile and nerves of steel, these 'ghetto girls' smuggled guns in loaves of bread and coded intelligence messages in their plaited hair. They helped build life-saving systems of underground bunkers and sustained thousands of Jews in safe hiding places. They bribed Gestapo guards with liquor, assassinated Nazis and sabotaged German supply lines. *The Light of Days* at last reveals the real history of these incredible women whose courageous yet little-known feats have been eclipsed by time. [A] powerful book . . . The actions of these young women, carefully brought back to life by Batalion, turn much of what we believe we know about the Holocaust on its head. -- Jenni Frazer ? Jewish Chronicle Remarkable and inspiring . . . thanks to Judy's meticulous research, these near century old stories of resistance in the face of overwhelming odds are about to be read once again ? Daily Express

Feminist Fight Club Dec 25 2021 'Engaging, hilarious and practical - I will proudly proclaim myself a card-carrying member of the FFC' - Sheryl Sandberg, COO of Facebook and bestselling author of *Lean In* This is a call to arms. Are you aged zero to infinity? Finished with the sexist status quo? Ready to kick ass and take names? Welcome to the Feminist Fight Club. You have lifetime membership. Feminist Fight Club provides an arsenal of weapons for surviving in an unequal world. You will learn how to fight micro-aggressions, correct unconscious bias, deal with male colleagues who can't stop 'maninterrupting' or 'bro-propriating' your ideas - and how to lean in without falling the f*ck over. Every woman needs this book - and they needed it yesterday. This is not a drill.

The Saturday Girls Apr 28 2022 'A book to read in great gulps' Sheila Newberry 'Beautifully written . . . she has a real talent' Mary Gibson Perfect for fans of *Daisy Styles* and *Rosie Clarke*. If you loved *An Education*, *Good Girls Revolt* and *Made in Dagenham* then this is for you. It's 1964. England has shaken off its post-war gloom and the world is full of possibilities. Best friends Sandra and Linda live on a housing estate in Essex. They are aspiring mods: they have the music, the coffee bar and *Ready Steady Go!* on a Friday night. Having landed their first jobs, Linda and Sandra look set. But the world is changing rapidly, and both girls have difficult choices to make. As Sandra blindly pursues a proposal, Linda finds herself drawn to causes she knows are worth fighting for. But when Sandra's quest leads her to local bad boy Danny, she lands both her and Linda in more trouble than they bargained for . . .

Conversations with Contemporary Cinematographers Aug 09 2020 Packed with gems of wisdom from the current 'masters of light', this collection of conversations with twenty leading contemporary cinematographers provides invaluable insight into the art and craft of cinematography. Jacqueline Frost's interviews provide unprecedented insight into the role as cinematographers discuss selecting projects, the conceptual and creative thinking that goes into devising a visual strategy, working with the script, collaborating with leading directors such as Martin Scorsese, Spike Lee, and Ava DuVernay, the impact of changing technology, and offer advice for aspiring cinematographers. Interviews include Maryse Alberti, John Bailey, Robert Elswit, Kirsten Johnson, Kira Kelly, Ellen Kuras, Edward Lachman, Matthew Libatique, John Lindley, Seamus McGarvey, Reed Morano, Polly Morgan, Rachel Morrison, Rodrigo Prieto, Cynthia Pusheck, Harris Savides, Nancy Schrieber, John Seale, Sandi Sissel, Dante Spinotti, Salvatore Totino, Amy Vincent and Mandy Walker. Filled with valuable information and advice for aspiring cinematographers, directors, and filmmakers, this is essential reading for anyone interested in the art and craft of cinematography.

Yale Needs Women Apr 04 2020 WINNER OF THE 2020 CONNECTICUT BOOK AWARD FOR NONFICTION AND NAMED ONE OF THE BEST BOOKS FOR BOOK CLUBS IN 2021 BY BOOKBROWSE "Perkins makes the story of these early and unwitting feminist pioneers come alive against the backdrop of the contemporaneous civil rights and anti-war movements of the 1970s, and offers observations that remain eerily relevant on U.S. campuses today."—Edward B. Fiske, bestselling author of *Fiske Guide to Colleges* "If Yale was going to keep its standing as one of the top two or three colleges in the nation, the availability of women was an amenity it could no longer do without." In the winter of 1969, from big cities to small towns, young women across the country sent in applications to Yale University for the first time. The Ivy League institution dedicated to graduating "one thousand male leaders" each year had finally decided to open its doors to the nation's top female students. The landmark decision was a huge step forward for women's equality in education. Or was it? The experience the first undergraduate women found when they stepped onto Yale's imposing campus was not the same one their male peers enjoyed. Isolated from one another, singled out as oddities and sexual objects, and barred from many of the privileges an elite education was supposed to offer, many of the first girls found themselves immersed in

an overwhelmingly male culture they were unprepared to face. *Yale Needs Women* is the story of how these young women fought against the backward-leaning traditions of a centuries-old institution and created the opportunities that would carry them into the future. Anne Gardiner Perkins's unflinching account of a group of young women striving for change is an inspiring story of strength, resilience, and courage that continues to resonate today.

F*ck Love Aug 28 2019 Helena Conway has fallen in love. Unwillingly. Unwittingly. But not unprovoked. Kit Isley is everything she's not—unstructured, untethered, and not even a little bit careful. It could all be so beautiful ... if he wasn't dating her best friend. Helena must defy her heart, do the right thing, and think of others. Until she doesn't.

Fire in My Soul Apr 16 2021 Traces the career of the civil rights crusader and Congressional delegate for Washington, D.C., from her early challenges to her efforts against the Senate and the Supreme Court on such issues as sexual harassment and free speech.

The Moon Is a Harsh Mistress Jul 08 2020 A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

The Overstory Feb 01 2020 'This is not our world with trees in it. It's a world of trees, where humans have just arrived' This is the story of a group of strangers, each summoned in different ways by the natural world, brought together to save it from catastrophe. An artist inherits a hundred years of photographic portraits, all of the same doomed American chestnut. A hard-partying undergraduate electrocutes herself, dies, and is sent back into life by creatures of air and light. A hearing- and speech-impaired scientist discovers that trees are communicating with one another. Moving through history and across landscapes, this tree-filled novel unfurls our potential to destroy or restore the natural world. 'It changed how I thought about the Earth and our place in it' Barack Obama **THE MILLION-COPY GLOBAL BESTSELLER and WINNER OF THE PULITZER PRIZE FOR FICTION** *Vintage Earth* is a collection of novels to transform our relationship with the natural world. Each one is a work of creative activism, a blast of fresh air, a seed from which change can grow. The books in this series reconnect us to the planet we inhabit - and must protect. Discover great writing on the most urgent story of our times.

Susan, Linda, Nina & Cokie May 06 2020 A group biography of four beloved women who fought sexism, covered decades of American news, and whose voices defined NPR In the years after the Civil Rights Act of 1964, women in the workplace still found themselves relegated to secretarial positions or locked out of jobs entirely. This was especially true in the news business, a backwater of male chauvinism where a woman might be lucky to get a foothold on the “women’s pages.” But when a pioneering nonprofit called National Public Radio came along in the 1970s, and the door to serious journalism opened a crack, four remarkable women came along and blew it off the hinges. *Susan, Linda, Nina, and Cokie* is journalist Lisa Napoli’s captivating account of these four women, their deep and enduring friendships, and the trail they blazed to becoming icons. They had radically different stories. Cokie Roberts was born into a political dynasty, roamed the halls of Congress as a child, and felt a tug toward public service. Susan Stamberg, who had lived in India with her husband who worked for the State Department, was the first woman to anchor a nightly news program and pressed for accommodations to balance work and home life. Linda Wertheimer, the daughter of shopkeepers in New Mexico, fought her way to a scholarship and a spot on-air. And Nina Totenberg, the network's legal affairs correspondent, invented a new way to cover the Supreme Court. Based on extensive interviews and calling on the author’s deep connections in news and public radio, *Susan, Linda, Nina, and Cokie* will be as beguiling and sharp as its formidable subjects.

The Eternal Church Aug 21 2021 Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

The Great Revolt Jul 20 2021 Thrilling historical adventure set during the English peasants' revolt of 1381, by Paul Dowsell, the author of *Ausländer*, and *Wolf Children*. It's 1381 and the king, Richard II, has imposed a new tax on the people. In the village of Aylesford, Tilda and her ploughman father were already struggling to make ends meet. As serfs they have no rights to move freely or earn wages for their work. Tilda is desperate for a better life than the village can offer, so when the villagers begin to rebel she is swept up in the excitement. Tilda and her father travel to London with the others to petition the king, but the peaceful rebellion they hoped for soon ignites into violence, mayhem and treachery. Tilda's fight for a better life is only just beginning... This page-turning adventure sheds new light on a period of history which is covered in the KS3 curriculum, and will have readers gripped from start to finish.

Asking for It Mar 28 2022 In the era of #metoo, a clear-eyed, sharp look at rape culture, sexual assault, harassment and violence against women--and what we can do about it. "A timely and brilliant book." (Jessica Valenti) Every seven minutes, someone in America commits a rape. And whether that's a football star, beloved celebrity, elected official, member of the clergy, or just an average Joe (or Joanna), there's probably a community eager to make excuses for that person. In *Asking for It*, Kate Harding combines in-depth research with a frank, no-holds-barred voice to make the case that twenty-first-century America supports rapists more effectively than it supports victims. From institutional failures in higher education to real-world examples of rape culture, Harding offers ideas and suggestions for how we, as a society, can take sexual violence much more seriously without compromising the rights of the accused.

The Best Girlfriends Ever Sep 09 2020 *The Best Girlfriends Ever* is the story of Tiffanie Nina Simone Hayes and the forever friends who loved and comforted her during her life and death with Rett Syndrome. Her mother, Stephanie Gives, wrote and illustrated the story as a way to share the story and to keep the memory of her daughter fresh and indelible; a memory she hopes to preserve and prevent from ever fading away. Stephanie Gives is an educator, artist. She is also the founder of *Dreams of Becoming a Better Me*; The Tiffanie Nina Simone Foundation. The foundation was created in memory of Tiffanie who passed away in 2011 from the neurological disease, Rett Syndrome, at the age of 14. Rett Syndrome is a progressive disease that affects girls in the beginning stages of infancy. Currently, there is no known cure for Rett Syndrome. Stephanie is a frequent guest speaker at local community programs and women's groups in her city of Columbia, South Carolina.

The Cake May 18 2021 Della makes cakes, not judgment calls – those she leaves to her husband, Tim. But when the girl she helped raise comes back home to North Carolina to get married, and the fiancé is actually a fiancée, Della’s life gets turned upside down. She can’t really make a cake for such a wedding, can she? For the first time in her life, Della has to think for herself.

White Feminism Sep 21 2021 A timely and impassioned exploration of how our society has commodified feminism and continues to systemically shut out women of color—perfect for fans of *White Fragility* and *Good and Mad*. Join the important conversation about race, empowerment, and inclusion in the United States with this powerful new feminist classic and rousing call for change. Koa Beck,

writer and former editor-in-chief of Jezebel, boldly examines the history of feminism, from the true mission of the suffragettes to the rise of corporate feminism with clear-eyed scrutiny and meticulous detail. She also examines overlooked communities—including Native American, Muslim, transgender, and more—and their difficult and ongoing struggles for social change. In these pages she meticulously documents how elitism and racial prejudice has driven the narrative of feminist discourse. She blends pop culture, primary historical research, and first-hand storytelling to show us how we have shut women out of the movement, and what we can do to course correct for a new generation—perfect for women of color looking for a more inclusive way to fight for women's rights. Combining a scholar's understanding with hard data and razor-sharp cultural commentary, *White Feminism* is a witty, whip-smart, and profoundly eye-opening book that challenges long-accepted conventions and completely upends the way we understand the struggle for women's equality.

Legend Jun 18 2021 *Legend* is the much-anticipated dystopian thriller debut from US author, Marie Lu. THE must-read dystopian thriller fiction for all teen fans of *The Hunger Games* by Suzanne Collins and *Divergent* by Veronica Roth. A brilliant re-imagining of *Les Misérables*, the series is set to be a global film sensation as CBS films have acquired rights to the trilogy. The *Twilight* Saga producers, Marty Bowen and Wyck Godfrey, will produce. Los Angeles, California Republic of America He is Day. The boy who walks in the light. She is June. The girl who seeks her brother's killer. On the run and undercover, they meet by chance. Irresistably drawn together, neither knows the other's past. But Day murdered June's brother. And she has sworn to avenge his death. Dystopian fiction at its very best in this thrilling instalment in the *Legend* trilogy. Praise for *Legend*: 'If you loved *The Hunger Games*, you'll love this.' - Sarah Rees-Brennan, author of *The Demon's Lexicon* 'A fine example of commercial fiction with razor-sharp plotting, depth of character and emotional arc, 'Legend' doesn't merely survive the hype, it deserves it.' - New York Times 'Marie Lu's dystopian novel is a 'Legend' in the making.' - USA Today 'Legend is impossible to put down and even harder to forget.' - Kami Garcia, author of New York Times bestselling author of film sensation, *Beautiful Creatures*

The Good Girls Revolt Oct 03 2022 It was the 1960s -- a time of economic boom and social strife. Young women poured into the workplace, but the "Help Wanted" ads were segregated by gender and the "Mad Men" office culture was rife with sexual stereotyping and discrimination. Lynn Povich was one of the lucky ones, landing a job at Newsweek, renowned for its cutting-edge coverage of civil rights and the "Swinging Sixties." Nora Ephron, Jane Bryant Quinn, Ellen Goodman, and Susan Brownmiller all started there as well. It was a top-notch job -- for a girl -- at an exciting place. But it was a dead end. Women researchers sometimes became reporters, rarely writers, and never editors. Any aspiring female journalist was told, "If you want to be a writer, go somewhere else." On March 16, 1970, the day Newsweek published a cover story on the fledgling feminist movement entitled "Women in Revolt," forty-six Newsweek women charged the magazine with discrimination in hiring and promotion. It was the first female class action lawsuit--the first by women journalists -- and it inspired other women in the media to quickly follow suit. Lynn Povich was one of the ringleaders. In *The Good Girls Revolt*, she evocatively tells the story of this dramatic turning point through the lives of several participants. With warmth, humor, and perspective, she shows how personal experiences and cultural shifts led a group of well-mannered, largely apolitical women, raised in the 1940s and 1950s, to challenge their bosses -- and what happened after they did. For many, filing the suit was a radicalizing act that empowered them to "find themselves" and fight back. Others lost their way amid opportunities, pressures, discouragements, and hostilities they weren't prepared to navigate. *The Good Girls Revolt* also explores why changes in the law didn't solve everything. Through the lives of young female journalists at Newsweek today, Lynn Povich shows what has -- and hasn't -- changed in the workplace.

Britain's Empire Oct 23 2021 A magisterial history of resistance to the rising of the British empire As the call for a new understanding of our national history grows louder, Britain's Empire turns the received imperial story on its head. Richard Gott recounts the long-overlooked narrative of resisters, revolutionaries and revolters who stood up to the might of the Empire. In a story of almost continuous colonialist violence, Britain's crimes unspool from the beginning of the eighteenth century to the Indian Mutiny, spanning the globe from Ireland to Australia. Capturing events from the perspective of the colonised, Gott unearths the all-but-forgotten stories excluded from mainstream histories.

Good Time Girls of the Alaska-Yukon Gold Rush Mar 16 2021 Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

Great Pie Revolt Mar 04 2020 Few things convey the identity of Britain's towns and cities more vocally than football and food, yet put them together and they become incompatible foes. Balti pies served out of tin trays and rubbery burgers that cost north of a tenner are typical of the over-the-counter fare that welcomes fans through the turnstile. But it doesn't have to be that way. As Britain embraces a craft revolution of locally made produce we, the travelled football fans, have the unique opportunity to experience the country in a way few others can. We can feast on cockles and mussels on the south-east coast, tuck into smack barm and pey wet in Lancashire and drink our way through an explosion of craft distillers and breweries all in the name of the club we love. *The Great Pie Revolt* is the definitive guide to the cafes, market stalls, takeaways, microbrewers, pubs and bars that pride themselves on their locality. It is proof that when paired properly football and food are a match made in heaven, but both are in dire need of a spectator-driven revolt.

England, Arise Oct 30 2019 The dramatic and shocking events of the Peasants' Revolt of 1381 are to be the backdrop to Juliet Barker's latest book: a snapshot of what everyday life was like for ordinary people living in the middle ages. The same highly successful techniques she deployed in *Agincourt* and *Conquest* will this time be brought to bear on civilian society, from the humblest serf forced to provide slave-labour for his master in the fields, to the prosperous country goodwife brewing, cooking and spinning her distaff and the ambitious burgess expanding his business and his mental horizons in the town. The book will explore how and why such a diverse and unlikely group of ordinary men and women from every corner of England united in armed rebellion against church and state to demand a radical political agenda which, had it been implemented, would have fundamentally transformed English society and anticipated the French Revolution by four hundred years. The book will not only provide an important reassessment of the revolt itself but will also be an illuminating and original study of English medieval life at the time.

The Great Revolt Jun 30 2022 A CNN political analyst and a Republican strategist reframe the discussion of the "Trump voter" to answer the question, What's next? NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FOREIGN AFFAIRS • "Unlike most retellings of the 2016 election, *The Great Revolt* provides a cohesive, non-wild-eyed argument about where the Republican Party could be headed."—The Atlantic Political experts were wrong about the 2016 election and they continue to blow it, predicting the coming

demise of the president without pausing to consider the durability of the winds that swept him into office. Salena Zito and Brad Todd have traveled over 27,000 miles of country roads to interview more than three hundred Trump voters in ten swing counties. What emerges is a portrait of a group of citizens who span job descriptions, income brackets, education levels, and party allegiances, united by their desire to be part of a movement larger than themselves. They want to put pragmatism before ideology and localism before globalism, and demand the respect they deserve from Washington. The 2016 election signaled a realignment in American politics that will outlast any one president. Zito and Todd reframe the discussion of the "Trump voter" to answer the question, What's next?

Joseph Anton Jun 26 2019 From the author of *The Satanic Verses* and *Midnight's Children* comes an unflinchingly honest and fiercely funny account of a life turned upside-down. On Valentine's Day, 1989, Salman Rushdie received a telephone call from a BBC journalist that would change his life forever: Ayatollah Khomeini, a leading Muslim scholar, had issued him with a death sentence. This is his own account of how he was forced to live in hiding for over a decade; at once intimate and explosive, this is the personal tale behind the international story. How does a man live with the constant threat of murder? How does he continue to work when deprived of his freedom? How does he sustain friendships, or fall in and out of love? How does he fight back? For over a decade, Salman Rushdie dwelt in a world of secrecy and disguise, a world of security guards and armoured cars, of aliases and code names. In *Joseph Anton*, Rushdie tells the remarkable story of one of the crucial battles, in our time, for freedom of speech. Shortlisted for the James Tait Black Biography Prize

Apocalypse Aug 01 2022 If you want a gripping, well-written, detailed story of insurrection against Rome, supported by splendid illustrations, start here. *The Sunday Telegraph*

TOKIN' WOMEN A 4,000-Year Herstory Nov 11 2020 ABOUT THE BOOK The result of over a decade of research, *TOKIN' WOMEN: A 4000-Year Herstory* presents an enlightening compilation of over 50 famous females throughout "herstory" associated with cannabis—from ancient goddesses to bohemian authors, jazz musicians and icons of the 60s to the film goddesses of today. Readers will recognize many of the names, like Maya Angelou and Jennifer Aniston, but "some of the more obscure women come with the most compelling stories, including adventurous explorers (Gertrude Bell, Iris Tree); pioneers in art, science and literature (Alice B. Toklas, Louisa May Alcott); and other powerful women who lived their lives according to their own rules." - *Freedom Leaf*, December 2015 ABOUT THE AUTHOR Nola Evangelista (aka Ellen Komp) is a longtime hemp/marijuana activist and author. Currently the deputy director of California NORML, for the past 12 years she has gathered information about prominent cannabis connoisseurs at her website, *VeryImportantPotheads.com*, and her blog *TokinWoman.blogspot.com*. She has contributed articles and op-eds to various publications such as *High Times*, *In These Times*, *Alternet*, *Cannabis Now* and *Cannabis Culture*.

The Revolt Jan 26 2022 It is with a soft voice, full of menace, that our mother commands us to overthrow our father . . . Richard Lionheart tells the story of his mother, Eleanor of Aquitaine. In 1173, she and three of her sons instigate a rebellion to overthrow the English king, her husband Henry Plantagenet. What prompts this revolt? How does a great queen persuade her children to rise up against their father? And how does a son cope with this crushing conflict of loyalties? Replete with poetry and cruelty, this story takes us to the heart of the relationship between a mother and her favourite son - two individuals sustained by literature, unspoken love, honour and terrible violence.

The Book of Laughter and Forgetting Sep 29 2019 "This book is a novel in the form of variations. The various parts follow each other like the various stages of a voyage leading into the interior of a theme, the interior of a thought, the interior of a single, unique situation the understanding of which recedes from my sight into the distance. It is a book about laughter and about forgetting, about forgetting and about Prague, about Prague and about the angels." *The Book of Laughter and Forgetting* is the most secret of Kundera's novels. This new translation is the first to be fully authorized by Milan Kundera.

The Princess Revolt Oct 11 2020 Disney's *Twisted Tales* meets the *Half Upon a Time* trilogy in this "lively" (*School Library Journal*) first book of a new fantasy series following a young girl who discovers that fairy tale characters are real when she becomes the target of vindictive princesses who want their Happily Ever Afters. Cia Anderson hasn't slept in ten days, but she doesn't feel one bit tired. She knows that something is up, even if no one but her best friend believes her. Hundreds of pairs of shoes have appeared in her locker, small woodland animals are trailing her, and the only boy she's ever had a crush on has been quarantined with a mysterious illness. There's even talk of closing her middle school. Something strange is going on. Cia discovers that she has accidentally upset some fairy tale characters who are trying to find their happily ever afters in the modern world. Desperate to set things right, Cia enlists the help of Cinderella's stepsister, gets kidnapped by Snow White's dwarves, and makes a deal that she might regret with the Evil Queen—all while trying to stay one step ahead of the furious princesses who want her dead. Turns out there's nothing meaner than a fairy tale character who can't find her prince charming.

Nineteen Eighty-Four Feb 24 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Good Girls Revolt Nov 04 2022 It was the 1960s--a time of economic boom and social strife. Young women poured into the workplace, but the "Help Wanted" ads were segregated by gender and the "Mad Men" office culture was rife with sexual stereotyping and discrimination. Lynn Povich was one of the lucky ones, landing a job at *Newsweek*, renowned for its cutting-edge coverage of civil rights and the "Swinging Sixties." Nora Ephron, Jane Bryant Quinn, Ellen Goodman, and Susan Brownmiller all started there as well. It was a top-notch job--for a girl--at an exciting place. But it was a dead end. Women researchers sometimes became reporters,

rarely writers, and never editors. Any aspiring female journalist was told, "If you want to be a writer, go somewhere else." On March 16, 1970, the day Newsweek published a cover story on the fledgling feminist movement entitled "Women in Revolt," forty-six Newsweek women charged the magazine with discrimination in hiring and promotion. It was the first female class action lawsuit--the first by women journalists--and it inspired other women in the media to quickly follow suit. Lynn Povich was one of the ringleaders. Through the lives of young female journalists at Newsweek today, Lynn Povich shows what has--and hasn't--changed in the workplace.

Mozart in the Jungle Jun 06 2020 Now a major Amazon.com TV series starring Gabriel Garcia Bernal. From her debut recital at Carnegie Hall to performing with the orchestras of *Les Misérables* and *Miss Saigon*, oboist Blair Tindall has been playing classical music professionally for over twenty-five years. She's also lived the secret life of musicians who survive hand to mouth, trading sex and drugs for low-paying gigs and the promise of winning a rare symphony position or a lucrative solo recording contract. In *Mozart in the Jungle*, Tindall describes her graduation from the North Carolina School of the Arts to the backbiting New York classical music scene, a world where Tindall and her fellow classical musicians often play drunk, high, or hopelessly hung-over, live in decrepit apartments, and perform in hazardous conditions. (In the cramped confines of a Broadway pit, the decibel level of one instrument is equal to the sound of a chain saw.) *Mozart in the Jungle* offers a stark contrast between the rarefied experiences of overpaid classical musician superstars and those of the working-class musicians. For lovers of classical music, *Mozart in the Jungle* is the first true, behind-the-scenes look at what goes on backstage and in the Broadway pit.

Revolt on the Right Jan 14 2021 Winner of the Political Book of the Year Award 2015 The UK Independence Party (UKIP) is the most significant new party in British politics for a generation. In recent years UKIP and their charismatic leader Nigel Farage have captivated British politics, media and voters. Yet both the party and the roots of its support remain poorly understood. Where has this political revolt come from? Who is supporting them, and why? How are UKIP attempting to win over voters? And how far can their insurgency against the main parties go? Drawing on a wealth of new data – from surveys of UKIP voters to extensive interviews with party insiders – in this book prominent political scientists Robert Ford and Matthew Goodwin put UKIP's revolt under the microscope and show how many conventional wisdoms about the party and the radical right are wrong. Along the way they provide unprecedented insight into this new revolt, and deliver some crucial messages for those with an interest in the state of British politics, the radical right in Europe and political behaviour more generally.

Cut Adrift May 30 2022 *Cut Adrift* makes an important and original contribution to the national conversation about inequality and risk in American society. Set against the backdrop of rising economic insecurity and rolled-up safety nets, Marianne Cooper's probing analysis explores what keeps Americans up at night. Through poignant case studies, she reveals what families are concerned about, how they manage their anxiety, whose job it is to worry, and how social class shapes all of these dynamics, including what is even worth worrying about in the first place. This powerful study is packed with intriguing discoveries ranging from the surprising anxieties of the rich to the critical role of women in keeping struggling families afloat. Through tales of stalwart stoicism, heart-wrenching worry, marital angst, and religious conviction, *Cut Adrift* deepens our understanding of how families are coping in a go-it-alone age—and how the different strategies on which affluent, middle-class, and poor families rely upon not only reflect inequality, but fuel it.

Moonchild Dec 13 2020 *MoonChild: A Celebration of Menstruation* is a must read for every pre-teen and teenage girl and anyone who wants to understand women. Its straightforward clear wisdom will free a girl from unnecessary shame and self-judgment. Through honor and understanding a healthy foundation is set for a girl to grow into womanhood. This rare examination of menarche and menstruation will assist any girl to create healthy self-esteem for herself, her relationships and her creativity throughout her life. The book's insights demystify the physical, emotional and social implications of this important passage into womanhood. *MoonChild* includes preparation for menstruation, tips on hygiene, self-care and empowering ceremonies including the firsthand story of a Navajo girl's experience. Conscious preparation and awareness of the menstrual cycle is vital to the physical and emotional well being of a girl. Understanding the cycle of menstruation in conjunction with the lunar cycle adds a larger dimension to a girl's experience.

The Great Illyrian Revolt Jul 28 2019 In the year AD 9, three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest. This event is well-known, but there was another uprising that Rome faced shortly before, which lasted from AD 6 to 9, and was just as intense. This rebellion occurred in the western Balkans (an area roughly corresponding to modern Croatia, Bosnia and Herzegovina, Slovenia, Montenegro and parts of Serbia and Albania) and it tested the Roman Empire to its limits. For three years, fifteen legions fought in the narrow valleys and forest-covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe, and yet this conflict is largely unknown today. *The Great Illyrian Revolt* is believed to be the first book ever devoted to this forgotten war of the Roman Empire. Within its pages, we examine the history and culture of the mysterious Illyrian people, the story of how Rome became involved in this volatile region, and what the Roman army had to face during those harrowing three years in the Balkans.

Black Like Me Feb 12 2021 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

The Good Girls Revolt Sep 02 2022 Chronicles the sexual discrimination class action lawsuit that women journalists brought against their employer, Newsweek, in 1970.

National Populism Dec 01 2019 A crucial new guide to one of the most important and most dangerous phenomena of our time: the rise of populism in the West Across the West, there is a rising tide of people who feel excluded, alienated from mainstream politics, and increasingly hostile towards minorities, immigrants and neo-liberal economics. Many of these voters are turning to national populist movements, which pose the most serious threat to the Western liberal democratic system, and its values, since the Second World War. From the United States to France, Austria to the UK, the national populist challenge to mainstream politics is all around

us. But what is behind this exclusionary turn? Who supports these movements and why? What does their rise tell us about the health of liberal democratic politics in the West? And what, if anything, should we do to respond to these challenges? Written by two of the foremost experts on fascism and the rise of the populist right, *National Populism* is a lucid and deeply-researched guide to the radical transformations of today's political landscape, revealing why liberal democracies across the West are being challenged-and what those who support them can do to help stem the tide.
