**Holding Back The Tears** Jan 29 2020 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by

everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

**The Light Between Oceans** Mar 13 2021 "A novel set on a remote Australian island, where a childless couple live quietly running a lighthouse, until a boat carrying a baby washes ashore"--

A Dragon for William Oct 08 2020 Set after the Aurora Award-winning novel, *A Play of Shadow*, this novella explores the story of a young boy whose fanciful tales of dragons and dangers may prove to be more than just fiction. Werfol returns to Vorkoun with his family to find their fortunes changed for the worse. His father is in disgrace and banished from court. Meanwhile, Vorkoun has been ceded to Asnor by the prince's treaty and no one knows what that will mean. And to complicate matters further, Werfol is now a truthseer, able to discern if another is lying. His training has barely begun, but his mother refuses to send him back to his uncle in Marrowdell. Werfol,

bored and heartsick, retreats to his imagination, secretly writing a story about a brave boy who befriends a young dragon. In their adventures, “Prince William” is always the hero but, in real life, Werfol grows angrier and more afraid every day. It doesn't help that Werfol's brother Semyn, once his closest confidant, can't remember Marrowdell's magic. Then Semyn, worried about Werfol, finds his story and shows their parents. Their mother, plagued by dangerous dreams, fears her son may become a doorway to a threat far more dangerous than a treaty. For Werfol wrote of a dragon the colour of a Sei, a being so potent its curiosity once tore apart worlds. Suddenly, no one, not even Werfol, can be sure where his imagination ends and the magical Verge begins. Can a boy who sees the lies in others find the truth within himself?

*The Gossamer Mage* Mar 25 2022 Winner of the 2020 Aurora Award for Best Novel, this fantasy epic tells the tale of one mage who must stand against a Deathless Goddess who controls all magic. Only in Tananen do people worship a single deity: the Deathless Goddess. Only in this small, forbidden realm are there those haunted by words of no language known to woman or man. The words are Her Gift, and they summon magic. Mage scribes learn to write Her words as intentions: spells to make beasts or plants, designed to any purpose. If an intention is flawed, what the mage creates is a gossamer: a magical creature as wild and free as it is costly for the mage. For Her Gift comes at a steep price. Each successful intention ages a mage until they dare no more. But her magic demands to be used; the Deathless Goddess will take her fee, and mages will die. To end this terrible toll, the greatest mage in Tananen vows to find and destroy Her. He has yet to learn She is all that protects Tananen from what waits outside. And all that keeps magic alive.

**BearCity** Jun 23 2019 Based on the award-winning feature-length movie, *Bear City: The Novel* follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. **A Play of Shadow** Sep 18 2021 What would you risk for family? In the second installment of Night's Edge, Bannan Larmensu, the truthseer who won Jenn Nalynn's heart, learns his brother-in-law was sent as a peace envoy to Channen, capitol of the mysterious domain of Mellynne, and has disappeared. When Bannan's young nephews arrive in Marrowdell, he fears the worst, that his sister, the fiery Lila, has gone in search of her husband, leaving her sons in his care. The law forbids Bannan from leaving Marrowdell and travelling to Mellynne to help his sister. In this world. As a turn-born, Jenn Nalynn has the power to cross into the magical realm of the Verge, and take Bannan with her. Once there, they could find a way into Mellynne. If they survive. The Verge is wild and deadly, alive with strange magic. Dragons roar and kruar wait in ambush, and the powerful turn-born who care for their world do not

care for Jenn Nalynn. She's willing to try. Wisp and Scourge -- and the house toads -- offer their help. But what none of them know is that magic is rife in Channen, magic that flows from the Verge itself. And not even a turn-born will be safe there.

*The City in the Middle of the Night* Dec 10 2020 Entertainment Weekly's 27 Female Authors Who Rule Sci-Fi and Fantasy Right Now, All the Birds in the Sky ? Winner of the 2017 Nebula Award for Best Novel, Finalist for the 2017 Hugo Award for Best Novel "If you control our sleep, then you can own our dreams... And from there, it's easy to control our entire lives." January is a dying planet – divided between a permanently frozen darkness on one side, and blazing endless sunshine on the other. Humanity clings to life, spread across two archaic cities built in the sliver of habitable dusk. But life inside the cities is just as dangerous as the wastelands outside. Sophie, a student and reluctant revolutionary, is supposed to be dead, after being exiled into the night. Saved only by forming an unusual bond with the enigmatic beasts who roam the ice, Sophie vows to stay hidden from the world, hoping she can heal. But fate has other plans – and Sophie's ensuing odyssey and the ragtag family she finds will change the entire world.

*Journey to the End of the Night* Sep 06 2020 When it was published in 1932, this revolutionary first fiction redefined

the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of *Journey to the End of the Night* move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

Book of Night Apr 01 2020 'Dark, strange, thick with mystery and twists *Book of Night* is everything delicious and frightening I've come to expect from Holly Black.' Leigh Bardugo, Sunday Times bestselling author of *Ninth House* 'If Neil Gaiman channelled Stephen King, the result might be this book . . . scintillating prose, whiplash twists, and a voice of character that demands to be heard from again.' James Rollins, New York Times bestseller of *The Starless Crown* \_\_\_\_\_ #1 New York

Times bestselling author Holly Black makes her stunning adult debut with *Book of Night*, a modern dark fantasy of shadowy thieves and secret societies. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie. Now, she's trying to distance herself from past mistakes, but going straight isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that her shadowless and possibly soulless boyfriend has been keeping secrets from her. When a terrible figure from her past returns, Charlie descends back into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgängers, mercurial billionaires, gloamists, and the people she loves best in the world - all trying to steal a secret that will allow them control of the shadow world and more. 'Holly Black is a master of fantasy with the Midas touch -- there is no story she cannot turn to gold.' V.E. Schwab, Sunday Times bestselling author of *The Invisible Life of Addie LaRue* 'Superb, entangling magic and mystery around the gritty horrors of human nature, neglectful parenting and the scourge of severe income inequalities . . . Will have you frantically turning pages and

finishing in less time than you thought possible. Everything you could want from a modern fantasy.' SFX 'A gripping ride from start to finish. Book of Night invites you to reckon with the shadows of your past.' Olivie Blake, Sunday Times bestselling author of *The Atlas Six* 'A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con.' Alix E. Harrow, Sunday Times bestselling author of *The Once and Future Witches* 'Heart, soul, and a bit of kink -- Book of Night is smart, decadent fun.' Kelly Link, Pulitzer Prize Finalist 'A dark romp full of danger and shadows with a razor-sharp heroine and vivid magic.' Zoraida Córdova, bestselling author of *The Inheritance of Orquídea Divina* 'A deliciously clever page-turner.' Paolo Bacigalupi, New York Times Bestselling author of *The Water Knife* 'Book of Night delivers hot sex, a breathless plot, perfect characters, and some of the most gorgeous writing I've read in years, sharp as a razor blade, clear as a one-way glass.' Ellen Kushner, award-winning author of *Swordspoint* 'Black is a master at world-building.' The New York Times *The Night Is Always Darkest... a Young Man's Journey on the Edge of Suicide* May 27 2022 A touching and heartwrenching collection of honest, unpolished poetry. This book chronicles the pain of one young man during the most difficult period of his life. Although at times it does seem to be deserving of the title, this collection actually can offer hope and enlightenment to anyone struggling with the challenges of life.

The End of Night Jul 17 2021 The "terrific ... moving, poetic, immersive, multifaceted, and thought-provoking" book (Publishers Weekly) that will open your eyes to the night. A brilliantly starry night is one of nature's most thrilling wonders. Yet in our world of nights as bright as day, most of us no longer experience true darkness. Eight out of ten Americans born today won't ever live where they can see the Milky Way. And exposure to artificial light

at night has been cited as a factor in health concerns ranging from poor sleep to cancer. In his gorgeous debut, **THE END OF NIGHT**, Paul Bogard travels the globe to find the night, blending personal narrative, natural history, health, science, and folklore to shed light on darkness. Showing exactly what we've lost, what we have left, and what we might hope to regain, he attempts nothing less than a restoration of how we see the spectacularly primal, wildly dark night sky.

**A Play of Shadow** Feb 21 2022 In *A Turn of Light*, veteran science fiction writer Julie E. Czerneda's first venture into fantasy, she introduced readers to Marrowdell, a pastoral valley that is home to a small pioneer settlement of refugees, lush fields of grain, enigmatic house toads—and Jenn Nalynn, the miller's daughter. Jenn Nalynn—turn-born. Though Jenn has always dreamed of venturing beyond this sheltered valley when she came of age, she is soon faced with the grim reality that for her, setting foot beyond Marrowdell's borders in the normal way is impossible. Then Bannan Larmensu—the truthseer who won Jenn's heart—learns that his brother-in-law has disappeared in Channen, the capital of the mysterious domain of Mellynne. And when Bannan's young nephews arrive in Marrowdell in the midst of a devastating storm, he fears that his sister has gone in search of her husband, leaving her sons in his care. The law forbids the exiled Bannan from leaving Marrowdell and traveling to Mellynne to help his sister. At least, in this world. But as a turn-born, Jenn has the power to cross into the magical realm of the Verge—and take Bannan with her. Once there, they could find a way into Mellynne, if they survive. The Verge is wild and deadly, alive with strange magic. Dragons roar and kruar wait in ambush, and not all the powerful turn-born who tend their world care for Jenn Nalynn. But Jenn is willing to try. Their friends Wisp and Scourge—and the house toads—offer their help. But what none of them know is that Channen is rife with magic that flows from the Verge itself. And not even a turn-born will be safe there.

**The Ragged Edge of Night** Aug 06 2020 For fans of All the Light We Cannot See, Beneath a Scarlet Sky, and The Nightingale comes an emotionally gripping, beautifully written historical novel about extraordinary hope, redemption, and one man's search for light during the darkest times of World War II. Germany, 1942. Franciscan friar Anton Starzmann is stripped of his place in the world when his school is seized by the Nazis. He relocates to a small German hamlet to wed Elisabeth Herter, a widow who seeks a marriage--in name only--to a man who can help raise her three children. Anton seeks something too--atonement for failing to protect his young students from the wrath of the Nazis. But neither he nor Elisabeth expects their lives to be shaken once again by the inescapable rumble of war. As Anton struggles to adapt to the roles of husband and father, he learns of the Red Orchestra, an underground network of resisters plotting to assassinate Hitler. Despite Elisabeth's reservations, Anton joins this army of shadows. But when the SS discovers his schemes, Anton will embark on a final act of defiance that may cost him his life--even if it means saying goodbye to the family he has come to love more than he ever believed possible.

**A Turn of Light** Nov 01 2022 The Aurora Award winning first book of the Night's Edge series introduces a rich and atmospheric fantasy world. The pastoral valley of Marrowdell is home to a small pioneer settlement of refugees, lush fields of grain, enigmatic house toads—and Jenn Nalynn, the miller's daughter. Life here is full of laughter and peace, as well as hard work, and no one bothers overmuch about the outside world. Except Jenn Nalynn. Jenn longs to travel, to seek what's missing in her life. Not that she's sure what that is, but since this summer began, she's felt a strange and powerful yearning. She's certain she'll find what she needs, if only she can leave the valley. But she must not. Jenn is turn-born and cursed, born by the light of two worlds and bound to both. For the valley is more than it seems. Long ago, a cataclysm of misused power pinned Marrowdell to the Verge, a place of wild magic, home to dragons and even stranger creatures. Should Jenn step beyond Marrowdell, she will pull the worlds asunder. To prevent this, powers from the Verge have sent a guard to watch over her, a disgraced dragon Jenn knows as Wisp, her invisible playmate. Wisp's duty is to keep Jenn in Marrowdell. By love, if he can. By her death, if he must. But time is running out. What Jenn unknowingly feels is the rise of the Verge's magic within her, a magic that will threaten her and those she loves. Worse, this summer will end with a Great Turn, and strangers seeking power at any cost have come to Marrowdell to try to force an opening into the Verge, to the ruin of all.

**The Nocturnal City** Jun 03 2020 Night is a foundational element of human and animal life on earth, but its interaction with the social world has undergone significant transformations during the era of globalization. As the economic activity of the 'daytime' city has advanced into the night, other uses of the night as a time for play, for sleep or for escaping oppression have come increasingly under threat. This book looks at the relationship between night and society in contemporary cities. It identifies that while theories of 'planetary urbanization' have traced the spatial spread of urban forms, the temporal expansion of urban capitalism has been less well mapped. It argues that, as a key part of planetary being, understanding what goes on at night in cities can add nuance to debates on planetary urbanization. A series of practices and spaces that we encounter in the night-time city are explored. These include: the maintenance and repair of infrastructure; the aesthetics of the urban night; nightlife and the night-time economy;

the home at night; and the ecologies of the urban night. Taking these forward the book will ask whether the night can reveal some of the boundaries to what we call 'the urban' in a world of cities, and will call for a revitalized and enhanced 'nightology' to study these limits.
